

Nonrecoverable Advance by withdrawal from the Custodial Account of amounts on deposit therein attributable to the Mortgage Loans on any Certificate Account Deposit Date succeeding the date of such determination. Such right of reimbursement in respect of a Nonrecoverable Advance relating to an Advance made pursuant to Section 4.04 on any such Certificate Account Deposit Date shall be limited to an amount not exceeding the portion of such advance previously paid to Certificateholders (and not theretofore reimbursed to the Master Servicer or the related Subservicer).

Section 3.11. Maintenance of Primary Insurance Coverage.

(a) The Master Servicer shall not take, or permit any Subservicer to take, any action which would result in noncoverage under any applicable Primary Insurance Policy of any loss which, but for the actions of the Master Servicer or Subservicer, would have been covered thereunder. To the extent coverage is available, the Master Servicer shall keep or cause to be kept in full force and effect each such Primary Insurance Policy until the principal balance of the related Mortgage Loan secured by a Mortgaged Property is reduced to 80% or less of the Appraised Value at origination in the case of such a Mortgage Loan having a Loan-to-Value Ratio at origination in excess of 80%, provided that such Primary Insurance Policy was in place as of the Cut-off Date and the Master Servicer had knowledge of such Primary Insurance Policy. The Master Servicer shall not cancel or refuse to renew any such Primary Insurance Policy applicable to a Nonsubserviced Mortgage Loan, or consent to any Subservicer canceling or refusing to renew any such Primary Insurance Policy applicable to a Mortgage Loan subserviced by it, that is in effect at the date of the initial issuance of the Certificates and is required to be kept in force hereunder unless the replacement Primary Insurance Policy for such canceled or non-renewed policy is maintained with an insurer whose claims-paying ability is acceptable to each Rating Agency for mortgage pass-through certificates having a rating equal to or better than the lower of the then-current rating or the rating assigned to the Certificates as of the Closing Date by such Rating Agency.

(b) In connection with its activities as administrator and servicer of the Mortgage Loans, the Master Servicer agrees to present or to cause the related Subservicer to present, on behalf of the Master Servicer, the Subservicer, if any, the Trustee, the Insurer and Certificateholders, claims to the insurer under any Primary Insurance Policies, in a timely manner in accordance with such policies, and, in this regard, to take or cause to be taken such reasonable action as shall be necessary to permit recovery under any Primary Insurance Policies respecting defaulted Mortgage Loans. Pursuant to Section 3.07, any Insurance Proceeds collected by or remitted to the Master Servicer under any Primary Insurance Policies shall be deposited in the Custodial Account, subject to withdrawal pursuant to Section 3.10.

Section 3.12. Maintenance of Fire Insurance and Omissions and Fidelity Coverage.

(a) The Master Servicer shall cause to be maintained for each Mortgage Loan fire insurance with extended coverage in an amount which is equal to the lesser of the principal balance owing on such Mortgage Loan (together with the principal balance of any mortgage loan secured by a lien that is senior to the Mortgage Loan) or 100 percent of the insurable value of the improvements; *provided, however*, that such coverage may not be less than the minimum amount required to fully compensate for any loss or damage on a replacement cost basis. To the extent it

may do so without breaching the related Subservicing Agreement, the Master Servicer shall replace any Subservicer that does not cause such insurance, to the extent it is available, to be maintained. The Master Servicer shall also cause to be maintained on property acquired upon foreclosure, or deed in lieu of foreclosure, of any Mortgage Loan, fire insurance with extended coverage in an amount which is at least equal to the amount necessary to avoid the application of any co-insurance clause contained in the related hazard insurance policy. Pursuant to Section 3.07, any amounts collected by the Master Servicer under any such policies (other than amounts to be applied to the restoration or repair of the related Mortgaged Property or property thus acquired or amounts released to the Mortgagor in accordance with the Master Servicer's normal servicing procedures) shall be deposited in the Custodial Account, subject to withdrawal pursuant to Section 3.10. Any cost incurred by the Master Servicer in maintaining any such insurance shall not, for the purpose of calculating monthly distributions to Certificateholders, be added to the amount owing under the Mortgage Loan, notwithstanding that the terms of the Mortgage Loan so permit. Such costs shall be recoverable by the Master Servicer out of related late payments by the Mortgagor or out of Insurance Proceeds and Liquidation Proceeds to the extent permitted by Section 3.10. It is understood and agreed that no earthquake or other additional insurance is to be required of any Mortgagor or maintained on property acquired in respect of a Mortgage Loan other than pursuant to such applicable laws and regulations as shall at any time be in force and as shall require such additional insurance. Whenever the improvements securing a Mortgage Loan are located at the time of origination of such Mortgage Loan in a federally designated special flood hazard area, the Master Servicer shall cause flood insurance (to the extent available) to be maintained in respect thereof. Such flood insurance shall be in an amount equal to the lesser of (i) the amount required to compensate for any loss or damage to the Mortgaged Property on a replacement cost basis and (ii) the maximum amount of such insurance available for the related Mortgaged Property under the national flood insurance program (assuming that the area in which such Mortgaged Property is located is participating in such program). In the event that the Master Servicer shall obtain and maintain a blanket fire insurance policy with extended coverage insuring against hazard losses on all of the Mortgage Loans, it shall conclusively be deemed to have satisfied its obligations as set forth in the first sentence of this Section 3.12(a), it being understood and agreed that such policy may contain a deductible clause, in which case the Master Servicer shall, in the event that there shall not have been maintained on the related Mortgaged Property a policy complying with the first sentence of this Section 3.12(a) and there shall have been a loss which would have been covered by such policy, deposit in the Certificate Account the amount not otherwise payable under the blanket policy because of such deductible clause. Any such deposit by the Master Servicer shall be made from its own funds and shall be made on the Certificate Account Deposit Date next preceding the Distribution Date which occurs in the month following the month in which payments under any such policy would have been deposited in the Custodial Account. In connection with its activities as administrator and servicer of the Mortgage Loans, the Master Servicer agrees to present, on behalf of itself, the Trustee and Certificateholders, claims under any such blanket policy.

(b) The Master Servicer shall obtain and maintain at its own expense and keep in full force and effect throughout the term of this Agreement a blanket fidelity bond and an errors and omissions insurance policy covering the Master Servicer's officers and employees and other persons acting on behalf of the Master Servicer in connection with its activities under this Agreement. The amount of coverage shall be at least equal to the coverage that would be required by Fannie Mae or Freddie Mac, whichever is greater, with respect to the Master

Servicer if the Master Servicer were servicing and administering the Mortgage Loans for Fannie Mae or Freddie Mac. In the event that any such bond or policy ceases to be in effect, the Master Servicer shall obtain a comparable replacement bond or policy from an issuer or insurer, as the case may be, meeting the requirements, if any, of the Program Guide and acceptable to the Depositor. Coverage of the Master Servicer under a policy or bond obtained by an Affiliate of the Master Servicer and providing the coverage required by this Section 3.12(b) shall satisfy the requirements of this Section 3.12(b).

Section 3.13. Enforcement of Due-on-Sale Clauses; Assumption and Modification Agreements; Certain Assignments.

(a) When any Mortgaged Property is conveyed by the Mortgagor, the Master Servicer or Subservicer, to the extent it has knowledge of such conveyance, shall enforce any due-on-sale clause contained in any Mortgage Note or Mortgage, to the extent permitted under applicable law and governmental regulations, but only to the extent that such enforcement will not adversely affect or jeopardize coverage under any Required Insurance Policy. Notwithstanding the foregoing: (i) the Master Servicer shall not be deemed to be in default under this Section 3.13(a) by reason of any transfer or assumption which the Master Servicer is restricted by law from preventing; and (ii) if the Master Servicer determines that it is reasonably likely that any Mortgagor will bring, or if any Mortgagor does bring, legal action to declare invalid or otherwise avoid enforcement of a due-on-sale clause contained in any Mortgage Note or Mortgage, the Master Servicer shall not be required to enforce the due-on-sale clause or to contest such action.

(b) Subject to the Master Servicer's duty to enforce any due-on-sale clause to the extent set forth in Section 3.13(a), in any case in which a Mortgaged Property is to be conveyed to a Person by a Mortgagor, and such Person is to enter into an assumption or modification agreement or supplement to the Mortgage Note or Mortgage which requires the signature of the Trustee, or if an instrument of release signed by the Trustee is required releasing the Mortgagor from liability on the Mortgage Loan, the Master Servicer is authorized, subject to the requirements of the sentence next following, to execute and deliver, on behalf of the Trustee, the assumption agreement with the Person to whom the Mortgaged Property is to be conveyed and such modification agreement or supplement to the Mortgage Note or Mortgage or other instruments as are reasonable or necessary to carry out the terms of the Mortgage Note or Mortgage or otherwise to comply with any applicable laws regarding assumptions or the transfer of the Mortgaged Property to such Person; *provided, however*, none of such terms and requirements shall both constitute a "significant modification" effecting an exchange or reissuance of such Mortgage Loan under the Code (or final, temporary or proposed Treasury regulations promulgated thereunder) and cause any REMIC created hereunder to fail to qualify as REMICs under the Code or the imposition of any tax on "prohibited transactions" or "contributions" after the startup date under the REMIC Provisions. The Master Servicer shall execute and deliver such documents only if it reasonably determines that (i) its execution and delivery thereof will not conflict with or violate any terms of this Agreement or cause the unpaid balance and interest on the Mortgage Loan to be uncollectible in whole or in part, (ii) any required consents of insurers under any Required Insurance Policies have been obtained and (iii) subsequent to the closing of the transaction involving the assumption or transfer (A) the Mortgage Loan will continue to be secured by a first mortgage lien (or junior lien of the same

priority in relation to any senior mortgage loan, with respect to any Mortgage Loan secured by a junior Mortgage) pursuant to the terms of the Mortgage, (B) such transaction will not adversely affect the coverage under any Required Insurance Policies, (C) the Mortgage Loan will fully amortize over the remaining term thereof, (D) no material term of the Mortgage Loan (including the interest rate on the Mortgage Loan) will be altered nor will the term of the Mortgage Loan be changed and (E) if the seller/transferor of the Mortgaged Property is to be released from liability on the Mortgage Loan, the buyer/transferee of the Mortgaged Property would be qualified to assume the Mortgage Loan based on generally comparable credit quality and such release will not (based on the Master Servicer's or Subservicer's good faith determination) adversely affect the collectability of the Mortgage Loan. Upon receipt of appropriate instructions from the Master Servicer in accordance with the foregoing, the Trustee shall execute any necessary instruments for such assumption or substitution of liability as directed by the Master Servicer. Upon the closing of the transactions contemplated by such documents, the Master Servicer shall cause the originals or true and correct copies of the assumption agreement, the release (if any), or the modification or supplement to the Mortgage Note or Mortgage to be delivered to the Trustee or the Custodian and deposited with the Mortgage File for such Mortgage Loan. Any fee collected by the Master Servicer or such related Subservicer for entering into an assumption or substitution of liability agreement will be retained by the Master Servicer or such Subservicer as additional servicing compensation.

(c) The Master Servicer or the related Subservicer, as the case may be, shall be entitled to approve a request from a Mortgagor for a partial release of the related Mortgaged Property, the granting of an easement thereon in favor of another Person, any alteration or demolition of the related Mortgaged Property without any right of reimbursement or other similar matters if it has determined, exercising its good faith business judgment in the same manner as it would if it were the owner of the related Mortgage Loan, that the security for, and the timely and full collectability of, such Mortgage Loan would not be adversely affected thereby and that each REMIC created hereunder would continue to qualify as a REMIC under the Code as a result thereof and that no tax on "prohibited transactions" or "contributions" after the Startup Date would be imposed on any REMIC created hereunder as a result thereof. Any fee collected by the Master Servicer or the related Subservicer for processing such a request will be retained by the Master Servicer or such Subservicer as additional servicing compensation.

(d) Subject to any other applicable terms and conditions of this Agreement, the Master Servicer shall be entitled to approve an assignment in lieu of satisfaction with respect to any Mortgage Loan, provided the obligee with respect to such Mortgage Loan following such proposed assignment provides the Master Servicer with a "Lender Certification for Assignment of Mortgage Loan" in the form attached hereto as Exhibit N, in form and substance satisfactory to the Master Servicer, providing the following: (i) that the Mortgage Loan is secured by Mortgaged Property located in a jurisdiction in which an assignment in lieu of satisfaction is required to preserve lien priority, minimize or avoid mortgage recording taxes or otherwise comply with, or facilitate a refinancing under, the laws of such jurisdiction; (ii) that the substance of the assignment is, and is intended to be, a refinancing of such Mortgage Loan and that the form of the transaction is solely to comply with, or facilitate the transaction under, such local laws; (iii) that the Mortgage Loan following the proposed assignment will have a rate of interest at least 0.25 percent below or above the rate of interest on such Mortgage Loan prior to such proposed assignment; and (iv) that such assignment is at the request of the borrower under

the related Mortgage Loan. Upon approval of an assignment in lieu of satisfaction with respect to any Mortgage Loan, the Master Servicer shall receive cash in an amount equal to the unpaid principal balance of and accrued interest on such Mortgage Loan and the Master Servicer shall treat such amount as a Principal Prepayment in Full with respect to such Mortgage Loan for all purposes hereof.

Section 3.14. Realization Upon Defaulted Mortgage Loans.

(a) The Master Servicer shall foreclose upon or otherwise comparably convert (which may include an REO Acquisition) the ownership of properties securing such of the Mortgage Loans as come into and continue in default and as to which no satisfactory arrangements can be made for collection of delinquent payments pursuant to Section 3.07. Alternatively, the Master Servicer may take other actions in respect of a defaulted Mortgage Loan, which may include (i) accepting a short sale (a payoff of the Mortgage Loan for an amount less than the total amount contractually owed in order to facilitate a sale of the Mortgaged Property by the Mortgagor) or permitting a short refinancing (a payoff of the Mortgage Loan for an amount less than the total amount contractually owed in order to facilitate refinancing transactions by the Mortgagor not involving a sale of the Mortgaged Property), (ii) arranging for a repayment plan or (iii) agreeing to a modification in accordance with Section 3.07. In connection with such foreclosure or other conversion or action, the Master Servicer shall, consistent with Section 3.11, follow such practices and procedures as it shall deem necessary or advisable, as shall be normal and usual in its general mortgage servicing activities and as shall be required or permitted by the Program Guide; provided that the Master Servicer shall not be liable in any respect hereunder if the Master Servicer is acting in connection with any such foreclosure or other conversion or action in a manner that is consistent with the provisions of this Agreement. The Master Servicer, however, shall not be required to expend its own funds or incur other reimbursable charges in connection with any foreclosure, or attempted foreclosure which is not completed, or towards the correction of any default on a related senior mortgage loan, or towards the restoration of any property unless it shall determine (i) that such restoration and/or foreclosure will increase the proceeds of liquidation of the Mortgage Loan to Holders of Certificates of one or more Classes or the Insurer after reimbursement to itself for such expenses or charges and (ii) that such expenses and charges will be recoverable to it through Liquidation Proceeds, Insurance Proceeds, or REO Proceeds (respecting which it shall have priority for purposes of withdrawals from the Custodial Account pursuant to Section 3.10, whether or not such expenses and charges are actually recoverable from related Liquidation Proceeds, Insurance Proceeds or REO Proceeds). In the event of such a determination by the Master Servicer pursuant to this Section 3.14(a), the Master Servicer shall be entitled to reimbursement of its funds so expended pursuant to Section 3.10. In addition, the Master Servicer may pursue any remedies that may be available in connection with a breach of a representation and warranty with respect to any such Mortgage Loan in accordance with Sections 2.03 and 2.04. However, the Master Servicer is not required to continue to pursue both foreclosure (or similar remedies) with respect to the Mortgage Loans and remedies in connection with a breach of a representation and warranty if the Master Servicer determines in its reasonable discretion that one such remedy is more likely to result in a greater recovery as to the Mortgage Loan. Upon the occurrence of a Cash Liquidation or REO Disposition, following the deposit in the Custodial Account of all Insurance Proceeds, Liquidation Proceeds and other payments and recoveries referred to in the definition of "Cash Liquidation" or "REO Disposition," as applicable, upon receipt by the Trustee of written

notification of such deposit signed by a Servicing Officer, the Trustee or any Custodian, as the case may be, shall release to the Master Servicer the related Mortgage File and the Trustee shall execute and deliver such instruments of transfer or assignment prepared by the Master Servicer, in each case without recourse, as shall be necessary to vest in the Master Servicer or its designee, as the case may be, the related Mortgage Loan, and thereafter such Mortgage Loan shall not be part of the Trust Fund. Notwithstanding the foregoing or any other provision of this Agreement, in the Master Servicer's sole discretion with respect to any defaulted Mortgage Loan or REO Property as to either of the following provisions, (i) a Cash Liquidation or REO Disposition may be deemed to have occurred if substantially all amounts expected by the Master Servicer to be received in connection with the related defaulted Mortgage Loan or REO Property have been received, and (ii) for purposes of determining the amount of any Liquidation Proceeds, Insurance Proceeds, REO Proceeds or other unscheduled collections or the amount of any Realized Loss, the Master Servicer may take into account minimal amounts of additional receipts expected to be received or any estimated additional liquidation expenses expected to be incurred in connection with the related defaulted Mortgage Loan or REO Property.

(b) In the event that title to any Mortgaged Property is acquired by the Trust Fund as an REO Property by foreclosure or by deed in lieu of foreclosure, the deed or certificate of sale shall be issued to the Trustee or to its nominee on behalf of Certificateholders. Notwithstanding any such acquisition of title and cancellation of the related Mortgage Loan, such REO Property shall (except as otherwise expressly provided herein) be considered to be an Outstanding Mortgage Loan held in the Trust Fund until such time as the REO Property shall be sold. Consistent with the foregoing for purposes of all calculations hereunder so long as such REO Property shall be considered to be an Outstanding Mortgage Loan it shall be assumed that, notwithstanding that the indebtedness evidenced by the related Mortgage Note shall have been discharged, such Mortgage Note and the related amortization schedule in effect at the time of any such acquisition of title (after giving effect to any previous Curtailments and before any adjustment thereto by reason of any bankruptcy or similar proceeding or any moratorium or similar waiver or grace period) remain in effect.

(c) In the event that the Trust Fund acquires any REO Property as aforesaid or otherwise in connection with a default or imminent default on a Mortgage Loan, the Master Servicer on behalf of the Trust Fund shall dispose of such REO Property within three full years after the taxable year of its acquisition by the Trust Fund for purposes of Section 860G(a)(8) of the Code (or such shorter period as may be necessary under applicable state (including any state in which such property is located) law to maintain the status of each REMIC created hereunder as a REMIC under applicable state law and avoid taxes resulting from such property failing to be foreclosure property under applicable state law) or, at the expense of the Trust Fund, request, more than 60 days before the day on which such grace period would otherwise expire, an extension of such grace period unless the Master Servicer obtains for the Trustee and the Insurer an Opinion of Counsel, addressed to the Trustee, the Insurer and the Master Servicer, to the effect that the holding by the Trust Fund of such REO Property subsequent to such period will not result in the imposition of taxes on "prohibited transactions" as defined in Section 860F of the Code or cause any REMIC created hereunder to fail to qualify as a REMIC (for federal (or any applicable State or local) income tax purposes) at any time that any Certificates are outstanding, in which case the Trust Fund may continue to hold such REO Property (subject to any conditions contained in such Opinion of Counsel). The Master Servicer shall be entitled to

be reimbursed from the Custodial Account for any costs incurred in obtaining such Opinion of Counsel, as provided in Section 3.10. Notwithstanding any other provision of this Agreement, no REO Property acquired by the Trust Fund shall be rented (or allowed to continue to be rented) or otherwise used by or on behalf of the Trust Fund in such a manner or pursuant to any terms that would (i) cause such REO Property to fail to qualify as "foreclosure property" within the meaning of Section 860G(a)(8) of the Code or (ii) any subject REMIC created hereunder to the imposition of any federal income taxes on the income earned from such REO Property, including any taxes imposed by reason of Section 860G(c) of the Code, unless the Master Servicer has agreed to indemnify and hold harmless the Trust Fund with respect to the imposition of any such taxes.

(d) The proceeds of any Cash Liquidation, REO Disposition or purchase or repurchase of any Mortgage Loan pursuant to the terms of this Agreement, as well as any recovery (other than Subsequent Recoveries) resulting from a collection of Liquidation Proceeds, Insurance Proceeds or REO Proceeds, will be applied in the following order of priority: *first*, to reimburse the Master Servicer or the related Subservicer in accordance with Section 3.10(a)(ii); *second*, to the Certificateholders to the extent of accrued and unpaid interest on the Mortgage Loan, and any related REO Imputed Interest, at the Net Mortgage Rate (or the Modified Net Mortgage Rate in the case of a Modified Mortgage Loan), to the Due Date in the related Due Period prior to the Distribution Date on which such amounts are to be distributed; *third*, to the Certificateholders as a recovery of principal on the Mortgage Loan (or REO Property); *fourth*, to all Servicing Fees and Subservicing Fees payable therefrom (and the Master Servicer and the Subservicer shall have no claims for any deficiencies with respect to such fees which result from the foregoing allocation); *fifth*, to the Insurer for reimbursement for any Cumulative Insurance Payments to the extent not reimbursed pursuant to Section 4.02(c)(v); and *sixth*, to Foreclosure Profits.

(e) In the event of a default on a Mortgage Loan one or more of whose obligors is not a United States Person, in connection with any foreclosure or acquisition of a deed in lieu of foreclosure (together, "foreclosure") in respect of such Mortgage Loan, the Master Servicer shall cause compliance with the provisions of Treasury Regulation Section 1.1445-2(d)(3) (or any successor thereto) necessary to assure that no withholding tax obligation arises with respect to the proceeds of such foreclosure except to the extent, if any, that proceeds of such foreclosure are required to be remitted to the obligors on such Mortgage Loan.

Section 3.15. Trustee to Cooperate; Release of Mortgage Files.

(a) Upon becoming aware of the payment in full of any Mortgage Loan, or upon the receipt by the Master Servicer of a notification that payment in full will be escrowed in a manner customary for such purposes, the Master Servicer shall immediately notify the Trustee (if it holds the related Mortgage File) or the Custodian by a certification of a Servicing Officer (which certification shall include a statement to the effect that all amounts received or to be received in connection with such payment which are required to be deposited in the Custodial Account pursuant to Section 3.07 have been or will be so deposited), substantially in one of the forms attached hereto as Exhibit H requesting delivery to it of the Mortgage File. Upon receipt of such certification and request, the Trustee shall promptly release, or cause the Custodian to release, the related Mortgage File to the Master Servicer. The Master Servicer is authorized to execute

and deliver to the Mortgagor the request for reconveyance, deed of reconveyance or release or satisfaction of mortgage or such instrument releasing the lien of the Mortgage, together with the Mortgage Note with, as appropriate, written evidence of cancellation thereon and to cause the removal from the registration on the MERS® System of such Mortgage and to execute and deliver, on behalf of the Trustee and the Certificateholders or any of them, any and all instruments of satisfaction or cancellation or of partial or full release, including any applicable UCC termination statements. No expenses incurred in connection with any instrument of satisfaction or deed of reconveyance shall be chargeable to the Custodial Account or the Certificate Account.

(b) From time to time as is appropriate for the servicing or foreclosure of any Mortgage Loan, the Master Servicer shall deliver to the Custodian, with a copy to the Trustee, a certificate of a Servicing Officer substantially in one of the forms attached as Exhibit H hereto, requesting that possession of all, or any document constituting part of, the Mortgage File be released to the Master Servicer and certifying as to the reason for such release and that such release will not invalidate any insurance coverage provided in respect of the Mortgage Loan under any Required Insurance Policy. Upon receipt of the foregoing, the Trustee shall deliver, or cause the Custodian to deliver, the Mortgage File or any document therein to the Master Servicer. The Master Servicer shall cause each Mortgage File or any document therein so released to be returned to the Trustee, or the Custodian as agent for the Trustee when the need therefor by the Master Servicer no longer exists, unless (i) the Mortgage Loan has been liquidated and the Liquidation Proceeds relating to the Mortgage Loan have been deposited in the Custodial Account or (ii) the Mortgage File or such document has been delivered directly or through a Subservicer to an attorney, or to a public trustee or other public official as required by law, for purposes of initiating or pursuing legal action or other proceedings for the foreclosure of the Mortgaged Property either judicially or non-judicially, and the Master Servicer has delivered directly or through a Subservicer to the Trustee a certificate of a Servicing Officer certifying as to the name and address of the Person to which such Mortgage File or such document was delivered and the purpose or purposes of such delivery. In the event of the liquidation of a Mortgage Loan, the Trustee shall deliver the Request for Release with respect thereto to the Master Servicer upon the Trustee's receipt of notification from the Master Servicer of the deposit of the related Liquidation Proceeds in the Custodial Account.

(c) The Trustee or the Master Servicer on the Trustee's behalf shall execute and deliver to the Master Servicer, if necessary, any court pleadings, requests for trustee's sale or other documents necessary to the foreclosure or trustee's sale in respect of a Mortgaged Property or to any legal action brought to obtain judgment against any Mortgagor on the Mortgage Note or Mortgage or to obtain a deficiency judgment, or to enforce any other remedies or rights provided by the Mortgage Note or Mortgage or otherwise available at law or in equity. Together with such documents or pleadings (if signed by the Trustee), the Master Servicer shall deliver to the Trustee a certificate of a Servicing Officer requesting that such pleadings or documents be executed by the Trustee and certifying as to the reason such documents or pleadings are required and that the execution and delivery thereof by the Trustee shall not invalidate any insurance coverage under any Required Insurance Policy or invalidate or otherwise affect the lien of the Mortgage, except for the termination of such a lien upon completion of the foreclosure or trustee's sale.

Section 3.16. Servicing and Other Compensation, Eligible Master Servicing Compensation.

(a) The Master Servicer, as compensation for its activities hereunder, shall be entitled to receive on each Distribution Date the amounts provided for by clauses (iii), (iv), (v) and (vi) of Section 3.10(a), subject to clause (e) below. The amount of servicing compensation provided for in such clauses shall be accounted for on a Mortgage Loan-by-Mortgage Loan basis. In the event that Liquidation Proceeds, Insurance Proceeds and REO Proceeds (net of amounts reimbursable therefrom pursuant to Section 3.10(a)(ii)) in respect of a Cash Liquidation or REO Disposition exceed the unpaid principal balance of such Mortgage Loan plus unpaid interest accrued thereon (including REO Imputed Interest) at a per annum rate equal to the related Net Mortgage Rate (or the Modified Net Mortgage Rate in the case of a Modified Mortgage Loan), the Master Servicer shall be entitled to retain therefrom and to pay to itself and/or the related Subservicer, any Foreclosure Profits and any Servicing Fee or Subservicing Fee considered to be accrued but unpaid.

(b) Additional servicing compensation in the form of assumption fees, late payment charges, investment income on amounts in the Custodial Account or the Certificate Account or otherwise shall be retained by the Master Servicer or the Subservicer to the extent provided herein, subject to clause (e) below. Prepayment charges shall be deposited into the Certificate Account and shall be paid on each Distribution Date to the holders of the Class SB Certificates.

(c) The Master Servicer shall be required to pay, or cause to be paid, all expenses incurred by it in connection with its servicing activities hereunder (including payment of premiums for the Primary Insurance Policies, if any, to the extent such premiums are not required to be paid by the related Mortgagors, and the fees and expenses of the Trustee and any Custodian) and shall not be entitled to reimbursement therefor except as specifically provided in Sections 3.10 and 3.14.

(d) The Master Servicer's right to receive servicing compensation may not be transferred in whole or in part except in connection with the transfer of all of its responsibilities and obligations of the Master Servicer under this Agreement.

(e) Notwithstanding clauses (a) and (b) above, the amount of servicing compensation that the Master Servicer shall be entitled to receive for its activities hereunder for the period ending on each Distribution Date shall be reduced (but not below zero) by an amount equal to Eligible Master Servicing Compensation (if any) for such Distribution Date. Such reduction shall be applied during such period as follows: *first*, to any Servicing Fee or Subservicing Fee to which the Master Servicer is entitled pursuant to Section 3.10(a)(iii); *second*, to any income or gain realized from any investment of funds held in the Custodial Account or the Certificate Account to which the Master Servicer is entitled pursuant to Sections 3.07(c) or 4.01(b), respectively; and *third*, to any amounts of servicing compensation to which the Master Servicer is entitled pursuant to Section 3.10(a)(v) or (vi). In making such reduction, the Master Servicer shall not withdraw from the Custodial Account any such amount representing all or a portion of the Servicing Fee to which it is entitled pursuant to Section 3.10(a)(iii); (ii) shall not withdraw from the Custodial Account or Certificate Account any such amount to which it is entitled pursuant to Section 3.07(c) or 4.01(b) and (iii) shall not withdraw from the Custodial Account

any such amount of servicing compensation to which it is entitled pursuant to Section 3.10(a)(v) or (vi).

On each Distribution Date, Eligible Master Servicing Compensation shall be applied to cover Prepayment Interest Shortfalls on each Loan Group on a pro rata basis in accordance with the amount of Prepayment Interest Shortfalls on each Loan Group for such Distribution Date.

Section 3.17. Reports to the Trustee, the Insurer and the Depositor.

Not later than fifteen days after each Distribution Date, the Master Servicer shall forward to the Trustee, the Insurer and the Depositor a statement, certified by a Servicing Officer, setting forth the status of the Custodial Account as of the close of business on such Distribution Date as it relates to the Mortgage Loans and showing, for the period covered by such statement, the aggregate of deposits in or withdrawals from the Custodial Account in respect of the Mortgage Loans for each category of deposit specified in Section 3.07 and each category of withdrawal specified in Section 3.10.

Section 3.18. Annual Statement as to Compliance.

The Master Servicer shall deliver to the Depositor, the Trustee and the Insurer on or before the earlier of (a) March 31 of each year, beginning with the first March 31 that occurs at least six months after the Cut-off Date, or (b) with respect to any calendar year during which the Depositor's annual report on Form 10-K is required to be filed in accordance with the Exchange Act and the rules and regulations of the Commission, on or before the date on which the Depositor's annual report on Form 10-K is required to be filed in accordance with the Exchange Act and the rules and regulations of the Commission (or, in each case, if such day is not a Business Day, the immediately preceding Business Day), an Officers' Certificate stating, as to each signer thereof, that (i) a review of the activities of the Master Servicer during the preceding calendar year related to its servicing of mortgage loans and of its performance under the pooling and servicing agreements, including this Agreement, has been made under such officers' supervision, (ii) to the best of such officers' knowledge, based on such review, the Master Servicer has complied in all material respects with the minimum servicing standards set forth in the Uniform Single Attestation Program for Mortgage Bankers and has fulfilled all of its material obligations in all material respects throughout such year, or, if there has been material noncompliance with such servicing standards or a default in the fulfillment in all material respects of any such obligation relating to this Agreement, such statement shall include a description of such noncompliance or specify each such default, as the case may be, known to such officer and the nature and status thereof and (iii) to the best of such officers' knowledge, each Subservicer has complied in all material respects with the minimum servicing standards set forth in the Uniform Single Attestation Program for Mortgage Bankers and has fulfilled all of its material obligations under its Subservicing Agreement in all material respects throughout such year, or if there has been material noncompliance with such servicing standards or a material default in the fulfillment of such obligations relating to this Agreement, specifying such statement shall include a description of such noncompliance or specify each such default, as the case may be, known to such officer and the nature and status thereof.

Section 3.19. Annual Independent Public Accountants' Servicing Report.

On or before the earlier of (a) March 31 of each year, beginning with the first March 31 that occurs at least six months after the Cut-off Date, or (b) with respect to any calendar year during which the Depositor's annual report on Form 10-K is required to be filed in accordance with the Exchange Act and the rules and regulations of the Commission, the date on which the Depositor's annual report on Form 10-K is required to be filed in accordance with the Exchange Act and the rules and regulations of the Commission (or, in each case, if such day is not a Business Day, the immediately preceding Business Day), the Master Servicer at its expense shall cause a firm of independent public accountants which shall be members of the American Institute of Certified Public Accountants to furnish a report to the Depositor, the Insurer and the Trustee stating its opinion that, on the basis of an examination conducted by such firm substantially in accordance with standards established by the American Institute of Certified Public Accountants, the assertions made pursuant to Section 3.18 regarding compliance with the minimum servicing standards set forth in the Uniform Single Attestation Program for Mortgage Bankers during the preceding calendar year are fairly stated in all material respects, subject to such exceptions and other qualifications that, in the opinion of such firm, such accounting standards require it to report. In rendering such statement, such firm may rely, as to matters relating to the direct servicing of mortgage loans by Subservicers, upon comparable statements for examinations conducted by independent public accountants substantially in accordance with standards established by the American Institute of Certified Public Accountants (rendered within one year of such statement) with respect to such Subservicers. In the event such firm requires the Trustee to agree to the procedures performed by such firm, the Master Servicer shall direct the Trustee in writing to so agree; it being understood and agreed that the Trustee shall deliver such letter of agreement in conclusive reliance upon the direction of the Master Servicer, and the Trustee shall not make any independent inquiry or investigation as to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures.

Section 3.20. Right of the Depositor in Respect of the Master Servicer.

The Master Servicer shall afford the Depositor and the Trustee, upon reasonable notice, during normal business hours access to all records maintained by the Master Servicer in respect of its rights and obligations hereunder and access to officers of the Master Servicer responsible for such obligations. Upon request, the Master Servicer shall furnish the Depositor and the Trustee with its most recent financial statements and such other information as the Master Servicer possesses regarding its business, affairs, property and condition, financial or otherwise. The Master Servicer shall also cooperate with all reasonable requests for information including, but not limited to, notices, tapes and copies of files, regarding itself, the Mortgage Loans or the Certificates from any Person or Persons identified by the Depositor or Residential Funding. The Insurer is hereby so identified. The Depositor may, but is not obligated to perform, or cause a designee to perform, any defaulted obligation of the Master Servicer hereunder or exercise the rights of the Master Servicer hereunder; provided that the Master Servicer shall not be relieved of any of its obligations hereunder by virtue of such performance by the Depositor or its designee. Neither the Depositor nor the Trustee shall have the responsibility or liability for any action or failure to act by the Master Servicer and is not obligated to supervise the performance of the Master Servicer under this Agreement or otherwise.

Section 3.21. Advance Facility.

(a) The Master Servicer is hereby authorized to enter into a financing or other facility (any such arrangement, an "Advance Facility") under which (1) the Master Servicer sells, assigns or pledges to another Person (an "Advancing Person") the Master Servicer's rights under this Agreement to be reimbursed for any Advances or Servicing Advances and/or (2) an Advancing Person agrees to fund some or all Advances and/or Servicing Advances required to be made by the Master Servicer pursuant to this Agreement. No consent of the Depositor, the Trustee, the Certificateholders or any other party shall be required before the Master Servicer may enter into an Advance Facility. Notwithstanding the existence of any Advance Facility under which an Advancing Person agrees to fund Advances and/or Servicing Advances on the Master Servicer's behalf, the Master Servicer shall remain obligated pursuant to this Agreement to make Advances and Servicing Advances pursuant to and as required by this Agreement. If the Master Servicer enters into an Advance Facility, and for so long as an Advancing Person remains entitled to receive reimbursement for any Advances including Nonrecoverable Advances ("Advance Reimbursement Amounts") and/or Servicing Advances including Nonrecoverable Advances ("Servicing Advance Reimbursement Amounts" and together with Advance Reimbursement Amounts, "Reimbursement Amounts") (in each case to the extent such type of Reimbursement Amount is included in the Advance Facility), as applicable, pursuant to this Agreement, then the Master Servicer shall identify such Reimbursement Amounts consistent with the reimbursement rights set forth in Section 3.10(a)(ii) and (vii) and remit such Reimbursement Amounts in accordance with this Section 3.21 or otherwise in accordance with the documentation establishing the Advance Facility to such Advancing Person or to a trustee, agent or custodian (an "Advance Facility Trustee") designated by such Advancing Person in an Advance Facility Notice described below in Section 3.21(b). Notwithstanding the foregoing, if so required pursuant to the terms of the Advance Facility, the Master Servicer may direct, and if so directed in writing the Trustee is hereby authorized to and shall pay to the Advance Facility Trustee the Reimbursement Amounts identified pursuant to the preceding sentence. An Advancing Person whose obligations hereunder are limited to the funding of Advances and/or Servicing Advances shall not be required to meet the qualifications of a Master Servicer or a Subservicer pursuant to Section 3.02(a) or 6.02(c) hereof and shall not be deemed to be a Subservicer under this Agreement. Notwithstanding anything to the contrary herein, in no event shall Advance Reimbursement Amounts or Servicing Advance Reimbursement Amounts be included in the Available Distribution Amount or distributed to Certificateholders.

(b) If the Master Servicer enters into an Advance Facility and makes the election set forth in Section 3.21(a), the Master Servicer and the related Advancing Person shall deliver to the Trustee a written notice and payment instruction (an "Advance Facility Notice"), providing the Trustee with written payment instructions as to where to remit Advance Reimbursement Amounts and/or Servicing Advance Reimbursement Amounts (each to the extent such type of Reimbursement Amount is included within the Advance Facility) on subsequent Distribution Dates. The payment instruction shall require the applicable Reimbursement Amounts to be distributed to the Advancing Person or to an Advance Facility Trustee designated in the Advance Facility Notice. An Advance Facility Notice may only be terminated by the joint written direction of the Master Servicer and the related Advancing Person (and any related Advance Facility Trustee). The Master Servicer shall provide the Insurer with notice of any termination of any Advance Facility pursuant to this Section 3.21(b).

(c) Reimbursement Amounts shall consist solely of amounts in respect of Advances and/or Servicing Advances made with respect to the Mortgage Loans for which the Master Servicer would be permitted to reimburse itself in accordance with Section 3.10(a)(ii) and (vii) hereof, assuming the Master Servicer or the Advancing Person had made the related Advance(s) and/or Servicing Advance(s). Notwithstanding the foregoing, except with respect to reimbursement of Nonrecoverable Advances as set forth in Section 3.10(c) of this Agreement, no Person shall be entitled to reimbursement from funds held in the Collection Account for future distribution to Certificateholders pursuant to this Agreement. Neither the Depositor nor the Trustee shall have any duty or liability with respect to the calculation of any Reimbursement Amount, nor shall the Depositor or the Trustee have any responsibility to track or monitor the administration of the Advance Facility and the Depositor shall not have any responsibility to track, monitor or verify the payment of Reimbursement Amounts to the related Advancing Person or Advance Facility Trustee. The Master Servicer shall maintain and provide to any Successor Master Servicer (a "Successor Master Servicer") a detailed accounting on a loan-by-loan basis as to amounts advanced by, sold, pledged or assigned to, and reimbursed to any Advancing Person. The Successor Master Servicer shall be entitled to rely on any such information provided by the Master Servicer and the Successor Master Servicer shall not be liable for any errors in such information.

(d) Upon the direction of and at the expense of the Master Servicer, the Trustee agrees to execute such acknowledgments, certificates, and other documents provided by the Master Servicer and reasonably satisfactory to the Trustee recognizing the interests of any Advancing Person or Advance Facility Trustee in such Reimbursement Amounts as the Master Servicer may cause to be made subject to Advance Facilities pursuant to this Section 3.21, and such other documents in connection with such Advance Facility as may be reasonably requested from time to time by any Advancing Person or Advance Facility Trustee and reasonably satisfactory to the Trustee.

(e) Reimbursement Amounts collected with respect to each Mortgage Loan shall be allocated to outstanding unreimbursed Advances or Servicing Advances (as the case may be) made with respect to that Mortgage Loan on a "first-in, first out" ("FIFO") basis, subject to the qualifications set forth below:

(i) Any Successor Master Servicer to Residential Funding and the Advancing Person or Advance Facility Trustee shall be required to apply all amounts available in accordance with this Section 3.21(e) to the reimbursement of Advances and Servicing Advances in the manner provided for herein; provided, however, that after the succession of a Successor Master Servicer, (A) to the extent that any Advances or Servicing Advances with respect to any particular Mortgage Loan are reimbursed from payments or recoveries, if any, from the related Mortgagor, and Liquidation Proceeds or Insurance Proceeds, if any, with respect to that Mortgage Loan, reimbursement shall be made, first, to the Advancing Person or Advance Facility Trustee in respect of Advances and/or Servicing Advances related to that Mortgage Loan to the extent of the interest of the Advancing Person or Advance Facility Trustee in such Advances and/or Servicing Advances, second to the Master Servicer in respect of Advances and/or Servicing Advances related to that Mortgage Loan in excess of those in which the Advancing Person or Advance Facility Trustee Person has an interest, and third, to the Successor

Master Servicer in respect of any other Advances and/or Servicing Advances related to that Mortgage Loan, from such sources as and when collected, and (B) reimbursements of Advances and Servicing Advances that are Nonrecoverable Advances shall be made pro rata to the Advancing Person or Advance Facility Trustee, on the one hand, and any such Successor Master Servicer, on the other hand, on the basis of the respective aggregate outstanding unreimbursed Advances and Servicing Advances that are Nonrecoverable Advances owed to the Advancing Person, Advance Facility Trustee or Master Servicer pursuant to this Agreement, on the one hand, and any such Successor Master Servicer, on the other hand, and without regard to the date on which any such Advances or Servicing Advances shall have been made. In the event that, as a result of the FIFO allocation made pursuant to this Section 3.21(e), some or all of a Reimbursement Amount paid to the Advancing Person or Advance Facility Trustee relates to Advances or Servicing Advances that were made by a Person other than Residential Funding or the Advancing Person or Advance Facility Trustee, then the Advancing Person or Advance Facility Trustee shall be required to remit any portion of such Reimbursement Amount to the Person entitled to such portion of such Reimbursement Amount. Without limiting the generality of the foregoing, Residential Funding shall remain entitled to be reimbursed by the Advancing Person or Advance Facility Trustee for all Advances and Servicing Advances funded by Residential Funding to the extent the related Reimbursement Amount(s) have not been assigned or pledged to an Advancing Person or Advance Facility Trustee. The documentation establishing any Advance Facility shall require Residential Funding to provide to the related Advancing Person or Advance Facility Trustee loan by loan information with respect to each Reimbursement Amount distributed to such Advancing Person or Advance Facility Trustee on each date of remittance thereof to such Advancing Person or Advance Facility Trustee, to enable the Advancing Person or Advance Facility Trustee to make the FIFO allocation of each Reimbursement Amount with respect to each Mortgage Loan.

(ii) By way of illustration, and not by way of limiting the generality of the foregoing, if the Master Servicer resigns or is terminated at a time when the Master Servicer is a party to an Advance Facility, and is replaced by a Successor Master Servicer, and the Successor Master Servicer directly funds Advances or Servicing Advances with respect to a Mortgage Loan and does not assign or pledge the related Reimbursement Amounts to the related Advancing Person or Advance Facility Trustee, then all payments and recoveries received from the related Mortgagor or received in the form of Liquidation Proceeds with respect to such Mortgage Loan (including Insurance Proceeds collected in connection with a liquidation of such Mortgage Loan) will be allocated first to the Advancing Person or Advance Facility Trustee until the related Reimbursement Amounts attributable to such Mortgage Loan that are owed to the Master Servicer and the Advancing Person, which were made prior to any Advances or Servicing Advances made by the Successor Master Servicer, have been reimbursed in full, at which point the Successor Master Servicer shall be entitled to retain all related Reimbursement Amounts subsequently collected with respect to that Mortgage Loan pursuant to Section 3.10 of this Agreement. To the extent that the Advances or Servicing Advances are Nonrecoverable Advances to be reimbursed on an aggregate basis pursuant to Section 3.10 of this Agreement, the reimbursement paid in this manner will be made pro rata to

the Advancing Person or Advance Facility Trustee, on the one hand, and the Successor Master Servicer, on the other hand, as described in clause (i)(B) above.

(f) The Master Servicer shall remain entitled to be reimbursed for all Advances and Servicing Advances funded by the Master Servicer to the extent the related rights to be reimbursed therefor have not been sold, assigned or pledged to an Advancing Person.

(g) Any amendment to this Section 3.21 or to any other provision of this Agreement that may be necessary or appropriate to effect the terms of an Advance Facility as described generally in this Section 3.21, including amendments to add provisions relating to a successor master servicer, may be entered into by the Trustee, the Depositor and the Master Servicer with the consent of the Insurer, but without the consent of any Certificateholder, with written confirmation from each Rating Agency that the amendment will not result in the reduction of the ratings on any class of the Certificates below the then-current ratings on such Certificates (without giving effect to the Policy), and delivery of an Opinion of Counsel as required under Section 11.01(c) notwithstanding anything to the contrary in Section 11.01 of or elsewhere in this Agreement.

(h) Any rights of set-off that the Trust Fund, the Trustee, the Depositor, any Successor Master Servicer or any other Person might otherwise have against the Master Servicer under this Agreement shall not attach to any rights to be reimbursed for Advances or Servicing Advances that have been sold, transferred, pledged, conveyed or assigned to any Advancing Person.

(i) At any time when an Advancing Person shall have ceased funding Advances and/or Servicing Advances (as the case may be) and the Advancing Person or related Advance Facility Trustee shall have received Reimbursement Amounts sufficient in the aggregate to reimburse all Advances and/or Servicing Advances (as the case may be) the right to reimbursement for which were assigned to the Advancing Person, then upon the delivery of a written notice signed by the Advancing Person and the Master Servicer or its successor or assign) to the Trustee terminating the Advance Facility Notice (the "Notice of Facility Termination"), the Master Servicer or its Successor Master Servicer shall again be entitled to withdraw and retain the related Reimbursement Amounts from the Custodial Account pursuant to Section 3.10.

(j) After delivery of any Advance Facility Notice, and until any such Advance Facility Notice has been terminated by a Notice of Facility Termination, this Section 3.21 may not be amended or otherwise modified without the prior written consent of the related Advancing Person.

ARTICLE IV PAYMENTS TO CERTIFICATEHOLDERS

Section 4.01. Certificate Account.

(a) The Master Servicer acting as agent of the Trustee shall establish and maintain a Certificate Account in which the Master Servicer shall deposit or cause to be deposited on behalf of the Trustee on or before 2:00 P.M. New York time on each Certificate Account Deposit Date

by wire transfer of immediately available funds an amount equal to the sum of (i) any Advance for the immediately succeeding Distribution Date, (ii) any amount required to be paid pursuant to Section 3.12(a), (iii) any amount required to be deposited in the Certificate Account pursuant to Section 3.16(e), Section 4.07 or Section 4.08, (iv) any amount required to be paid pursuant to Section 9.01, (v) any prepayment charges on the Mortgage Loans received during the related Prepayment Period, (vi) an amount equal to the Certificate Insurance Premium payable on such Distribution Date, and (vii) all other amounts constituting the Available Distribution Amount for the immediately succeeding Distribution Date. In addition, as and to the extent required pursuant to Section 4.10(b), the Trustee shall withdraw from the Insurance Account and deposit into the Certificate Account the amount necessary to pay the Insured Payment on each Distribution Date to the extent received from the Insurer.

(b) On or prior to the Business Day immediately following each Determination Date, the Master Servicer shall determine any amounts owed by the Yield Maintenance Agreement Provider under the Yield Maintenance Agreement and inform the Trustee in writing of the amount so calculated.

(c) On each Distribution Date, prior to making any other distributions referred to in Section 4.02 herein, the Trustee shall withdraw from the Certificate Account and pay to the Insurer, by wire transfer of immediately available funds to the Insurer Account, the Certificate Insurer Premium as designated by the Master Servicer in the written statement delivered in accordance with Section 4.04(a) for such Distribution Date. The Trustee shall deposit any amounts received from the Insurer pursuant to the Policy into the Insurance Account. The amount necessary to pay any Insured Payment shall be distributed on the immediately following Distribution Date as part of the Available Distribution Amount.

(d) The Trustee shall, upon written request from the Master Servicer, invest or cause the institution maintaining the Certificate Account to invest the funds in the Certificate Account in Permitted Investments designated in the name of the Trustee for the benefit of the Certificateholders and the Insurer, which shall mature not later than the Business Day next preceding the Distribution Date next following the date of such investment (except that (i) if such Permitted Investment is an obligation of the institution that maintains such account or a fund for which such institution serves as custodian, then such Permitted Investment may mature on such Distribution Date and (ii) any other investment may mature on such Distribution Date if the Trustee shall advance funds on such Distribution Date to the Certificate Account in the amount payable on such investment on such Distribution Date, pending receipt thereof to the extent necessary to make distributions on the Certificates) and shall not be sold or disposed of prior to maturity. All income and gain realized from any such investment shall be for the benefit of the Master Servicer and shall be subject to its withdrawal or order from time to time. The amount of any losses incurred in respect of any such investments shall be deposited in the Certificate Account by the Master Servicer out of its own funds immediately as realized.

Section 4.02. Distributions.

(a) On each Distribution Date, the Trustee (or the Paying Agent on behalf of the Trustee) shall allocate and distribute the Available Distribution Amount, if any, for such date to the interests issued in respect of REMIC I and REMIC II, as specified in this Section.

(b) (1) On each Distribution Date, the following amounts, in the following order of priority, shall be distributed by REMIC I to REMIC II on account of the REMIC I Group I Regular Interests:

Amounts payable as Uncertificated Accrued Interest in respect of REMIC I Group I Regular Interest I-ZZ shall be reduced when the sum of (i) the REMIC I Group I Overcollateralized Amount and (ii) the REMIC I Group II Overcollateralized Amount is less than the REMIC I Group I Required Overcollateralization Amount, by the lesser of (x) the amount of such difference and (y) the REMIC I Regular Interest I-ZZ Maximum Interest Deferral Amount, and such amount will be payable to the Holders of REMIC I Regular Interests I-A-I-1, I-A-I-2, I-A-I-3, and I-A-I-4 in the same proportion as the Overcollateralization Increase Amount is allocated to the corresponding Class of Certificates, and the Uncertificated Principal Balance of the REMIC I Regular Interest I-ZZ shall be increased by such amount; and

Group II Regular Interests for such Distribution Date, plus (B) any amounts in respect thereof remaining unpaid from previous Distribution Dates. Amounts payable as Uncertificated Accrued Interest in respect of REMIC I Group II Regular Interest II-ZZ shall be reduced when the sum of (i) the REMIC I Group II Overcollateralized Amount and (ii) the REMIC II Group II Overcollateralized Amount is less than the REMIC I Group II Required Overcollateralization Amount, by the lesser of (x) the amount of such difference and (y) the REMIC I Regular Interest II-ZZ Maximum Interest Deferral Amount, and such amount will be payable to the Holders of REMIC I Regular Interests II-A-II in the same proportion as the Overcollateralization Increase Amount is allocated to the corresponding Class of Certificates, and the Uncertificated Principal Balance of the REMIC I Regular Interest II-ZZ shall be increased by such amount; and

(ii) on each Distribution Date, to the Holders of REMIC I Group II Regular Interests, in an amount equal to the remainder of the Group II Available Distribution Amount after the distributions made pursuant to clause (i) above, allocated as follows (except as provided below): (A) to the Holders of the REMIC I Regular Interest II-AA, 98.00% of such remainder until the Uncertificated Principal Balance of such REMIC I Regular Interest is reduced to zero; (B) 2.00% of such remainder, first to the Holders of REMIC I Regular Interests II-A-II in an aggregate amount equal to 1.00% of and in the same proportion as principal payments are allocated to the corresponding Class of Certificates for each such REMIC I Group II Regular Interest, respectively, until the Uncertificated Principal Balance of each such REMIC I Group II Regular Interest is reduced to zero; and, second, to the Holders of the REMIC I Regular Interest II-ZZ, until the Uncertificated Principal Balance of such REMIC I Regular Interest is reduced to zero; and (C) any remaining amounts to the Holders of the Class R-II Certificates.

(3) Notwithstanding the distributions described in this Section 4.02(b), distribution of funds from the Certificate Account shall be made only in accordance with Section 4.02(c).

(c) On each Distribution Date (x) the Master Servicer on behalf of the Trustee or (y) the Paying Agent appointed by the Trustee, shall distribute to each Certificateholder of record on the next preceding Record Date (other than as provided in Section 9.01 respecting the final distribution) either in immediately available funds (by wire transfer or otherwise) to the account of such Certificateholder at a bank or other entity having appropriate facilities therefor, if such Certificateholder has so notified the Master Servicer or the Paying Agent, as the case may be, or, if such Certificateholder has not so notified the Master Servicer or the Paying Agent by the Record Date, by check mailed to such Certificateholder at the address of such Holder appearing in the Certificate Register such Certificateholder's share (which share with respect to each Class of Certificates, shall be based on the aggregate of the Percentage Interests represented by Certificates of the applicable Class held by such Holder of the following amounts, in the

following order of priority, subject to the provisions of Section 4.02(d)), to the extent of the Available Distribution Amount on deposit in the Certificate Account with respect to clauses (i) and (ii), and to the extent of the sum of the remaining Available Distribution Amount and the Yield Maintenance Payments on deposit in the Certificate Account with respect to clauses (iii) through (xiii) (and, with respect to clause (xii)(B) below, to the extent of prepayment charges on deposit in the Certificate Account):

(i) to the Class A Certificateholders, the Interest Distribution Amount, with such amount allocated among the Class A Certificateholders pursuant to the Class A Interest Distribution Priority;

(ii) to the Class A Certificateholders, from the amount, if any, of the Available Distribution Amount remaining after the foregoing distributions, the Principal Distribution Amount (other than the amounts set forth in clauses (b)(iv), (b)(v), and (b)(vi) of the definition thereof), in the order of priority described in Section 4.02(d) hereof, until the Certificate Principal Balances of the Class A Certificates have been reduced to zero;

(iii) to the Class A Certificateholders, from the amount, if any, of Excess Cash Flow, an amount equal to the principal portion of Realized Losses previously allocated to reduce the Certificate Principal Balance of any Class of the Class A Certificates and remaining unreimbursed, but only to the extent of Subsequent Recoveries on the related Mortgage Loans for that Distribution Date, which amount shall be included in the Principal Distribution Amount and paid in accordance with Section 4.02(d) hereof, until the Certificate Principal Balances of the Class A Certificates have been reduced to zero;

(iv) to the Class A Certificateholders, from the amount, if any, of Excess Cash Flow remaining after the foregoing distributions, an amount equal to the principal portion of Realized Losses on the Mortgage Loans during the immediately preceding Prepayment Period, which amount shall be included in the Principal Distribution Amount and paid in accordance with Section 4.02(d) hereof, until the Certificate Principal Balances of the Class A Certificates have been reduced to zero;

(v) to the Insurer, from the amount, if any, of the Excess Cash Flow remaining after the foregoing distributions, an amount equal to the Cumulative Insurance Payments;

(vii) to the Class A Certificateholders from the amount, if any, of the Excess Cash Flow remaining after the foregoing distributions, the amount of any Prepayment Interest Shortfalls allocated thereto for such Distribution Date, on a pro rata basis based on Prepayment Interest Shortfalls previously allocated thereto that remain unreimbursed,

to the extent not covered by Eligible Master Servicing Compensation on such Distribution Date;

(viii) to the Class A Certificateholders from the amount, if any, of the Excess Cash Flow remaining after the foregoing distributions, the amount of any Prepayment Interest Shortfalls previously allocated thereto on any prior Distribution Date that remain unreimbursed, together with interest thereon at the applicable Pass-Through Rate, on a pro rata basis based on Prepayment Interest Shortfalls previously allocated thereto that remain unreimbursed;

(ix) from the amount, if any, of the Excess Cash Flow remaining after the foregoing distributions, to pay the Class A Certificates, on a pro rata basis, based on the amount of the Group I Basis Risk Shortfall Carry-Forward Amount and Group II Basis Risk Shortfall Carry-Forward Amount, as applicable, previously allocated thereto that remain unreimbursed, the amount of any Group I Basis Risk Shortfall Carry-Forward Amount and Group II Basis Risk Shortfall Carry-Forward Amount remaining unpaid as of such Distribution Date;

(x) to the Class A Certificates on a pro rata basis, based on the amount of Relief Act Shortfalls allocated thereto on such Distribution Date, from the amount, if any, of the Excess Cash Flow remaining after the foregoing distributions, the amount of any Relief Act Shortfalls allocated to those Certificates with respect to such Distribution Date;

(xi) to the Class A Certificateholders, from the amount, if any, of the Excess Cash Flow remaining after the foregoing distributions, the principal portion of any Realized Losses previously allocated to those Certificates and remaining unreimbursed, which amount shall be allocated to the Class A Certificateholders on a pro rata basis, based on their respective principal portion of any Realized Losses previously allocated thereto that remain unreimbursed;

(xiii) to the Class R-II Certificateholders, the balance, if any, of the Excess Cash Flow.

(d) On each Distribution Date, the Principal Distribution Amount will be distributed as follows:

(i) the Group I Principal Distribution Amount shall be distributed as follows:

(1) *first*, to the Class A-I-1, Class A-I-2, Class A-I-3 and Class A-I-4 Certificates, in that order, in each case until the Certificate Principal Balance thereof has been reduced to zero; and (2) *second*, to the Class A-II Certificates, until the Certificate Principal Balance thereof has been reduced to zero; and

(ii) the Group II Principal Distribution Amount shall be distributed as follows:

(1) *first*, to the Class A-II Certificates, until the Certificate Principal Balance thereof has been reduced to zero; and (2) *second*, to the Class A-I-1, Class A-I-2, Class A-I-3 and Class A-I-4 Certificates, in that order, in each case until the Certificate Principal Balance thereof has been reduced to zero.

(e) Notwithstanding the foregoing clauses (c) and (d), upon the reduction of the Certificate Principal Balance of a Class of Class A Certificates to zero, such Class of Certificates will not be entitled to further distributions pursuant to Section 4.02 (other than in respect of Subsequent Recoveries on the related Mortgage Loans).

(f) Notwithstanding the foregoing, on any Distribution Date, the amounts allocated from Excess Cash Flow pursuant to clauses (c)(iii) through (c)(vi) of this Section 4.02 on such Distribution Date shall be paid first from the Available Distribution Amount for such Distribution Date and second from any Yield Maintenance Payment for such Distribution Date.

(g) Any Prepayment Interest Shortfalls on the Mortgage Loans which are not covered by Eligible Master Servicing Compensation as described in Section 3.16 and Relief Act Shortfalls on the Mortgage Loans will be allocated among the Class A Certificates pro rata in accordance with the amount of Accrued Certificate Interest payable on such Distribution Date absent such shortfalls. Any such uncovered Prepayment Interest Shortfalls will be paid solely pursuant to Section 4.02(c)(vii) and (viii) to the extent funds are available therefor. Any such Relief Act Shortfalls will be paid solely pursuant to Section 4.02(c)(x) to the extent funds are available therefor.

(h) In addition to the foregoing distributions, with respect to any Subsequent Recoveries, the Master Servicer shall deposit such funds into the Custodial Account pursuant to Section 3.07(b)(iii).

(i) Each distribution with respect to a Book-Entry Certificate shall be paid to the Depository, as Holder thereof, and the Depository shall be responsible for crediting the amount of such distribution to the accounts of its Depository Participants in accordance with its normal procedures. Each Depository Participant shall be responsible for disbursing such distribution to the Certificate Owners that it represents and to each indirect participating brokerage firm (a "brokerage firm" or "indirect participating firm") for which it acts as agent. Each brokerage firm shall be responsible for disbursing funds to the Certificate Owners that it represents. None of the Trustee, the Certificate Registrar, the Depositor, the Insurer or the Master Servicer shall have any responsibility therefor except as otherwise provided by this Agreement or applicable law.

Also, at the request of a Rating Agency, the Master Servicer shall provide the information relating to the Reportable Modified Mortgage Loans substantially in the form attached hereto as Exhibit S to such Rating Agency within a reasonable period of time; provided, however, that the Master Servicer shall not be required to provide such information more than four times in a calendar year to any Rating Agency.

Neither the Master Servicer nor the Trustee shall have any liability with respect to the Master Servicer's failure to properly prepare or file such periodic reports resulting from or relating to the Master Servicer's inability or failure to obtain any information not resulting from the Master Servicer's own negligence or willful misconduct. Any Form 10-K filed with the Commission in connection with this clause (d) shall include a certification, signed by the senior officer in charge of the servicing functions of the Master Servicer, in the form attached as Exhibit R-1 hereto or such other form as may be required or permitted by the Commission (the "Form 10-K Certification"), in compliance with Rule 13a-14 and 15d-14 under the Exchange Act and any additional directives of the Commission. Section 4.04. Distribution of Reports to the Trustee and the Depositor: Advances by the Master Servicer.

(a) Prior to the close of business on the Business Day next succeeding each Determination Date, the Master Servicer shall furnish a written statement (which may be in a mutually agreeable electronic format) to the Trustee, the Insurer, any Paying Agent and the Depositor (the information in such statement to be made available to Certificateholders by the Master Servicer on request) (provided that the Master Servicer shall use its best efforts to deliver such written statement not later than 12:00 P.M. New York time on the second Business Day prior to the Distribution Date) setting forth (i) the Available Distribution Amounts, (ii) the amounts required to be withdrawn from the Custodial Account and deposited into the Certificate Account on the immediately succeeding Certificate Account Deposit Date pursuant to clause (iii) of Section 4.01(a), (iii) the amount of Prepayment Interest Shortfalls, Group I Basis Risk

Shortfall, Group II Basis Risk Shortfall, Group I Basis Risk Shortfall Carry-Forward Amounts and Group II Basis Risk Shortfall Carry-Forward Amounts, (iv) the Certificate Insurer Premium and, if the Master Servicer determines that a Deficiency Amount exists for such Distribution, the amount necessary to complete the notice in the form of Exhibit A to the Policy (the "Notice"), (v) the Yield Maintenance Payment, if any, for such Distribution Date and (vi) the amount payable by the Derivative Counterparties to the Trustee under the Derivative Contracts as provided in Section 4.11. The determination by the Master Servicer of such amounts shall, in the absence of obvious error, be presumptively deemed to be correct for all purposes hereunder and the Trustee shall be protected in relying upon the same without any independent check or verification.

(b) On or before 2:00 P.M. New York time on each Certificate Account Deposit Date, the Master Servicer shall either (i) remit to the Trustee for deposit in the Certificate Account from its own funds, or funds received therefor from the Subservicers, an amount equal to the Advances to be made by the Master Servicer in respect of the related Distribution Date, which shall be in an aggregate amount equal to the sum of (A) the aggregate amount of Monthly Payments other than Balloon Payments (with each interest portion thereof adjusted to a per annum rate equal to the Net Mortgage Rate, plus the Certificate Insurer Premium Modified Rate), less the amount of any related Servicing Modifications, Debt Service Reductions or reductions in the amount of interest collectable from the Mortgagor pursuant to the Relief Act or similar legislation or regulations then in effect, on the Outstanding Mortgage Loans as of the related Due Date in the related Due Period, which Monthly Payments were due during the related Due Period and not received as of the close of business as of the related Determination Date; provided that no Advance shall be made if it would be a Nonrecoverable Advance and (B) with respect to each Balloon Loan delinquent in respect of its Balloon Payment as of the close of business on the related Determination Date, an amount equal to the assumed Monthly Payment (with each interest portion thereof adjusted to a per annum rate equal to the Net Mortgage Rate, plus the Certificate Insurer Premium Modified Rate) that would have been due on the related Due Date based on the original amortization schedule for such Balloon Loan until such Balloon Loan is finally liquidated, over any payments of interest or principal (with each interest portion thereof adjusted to per annum rate equal to the Net Mortgage Rate) received from the related Mortgagor as of the close of business on the related Determination Date and allocable to the Due Date during the related Due Period for each month until such Balloon Loan is finally liquidated, (ii) withdraw from amounts on deposit in the Custodial Account and deposit in the Certificate Account all or a portion of the Amount Held for Future Distribution in discharge of any such Advance, or (iii) make advances in the form of any combination of clauses (i) and (ii) aggregating the amount of such Advance. Any portion of the Amount Held for Future Distribution so used shall be replaced by the Master Servicer by deposit in the Certificate Account on or before 11:00 A.M. New York time on any future Certificate Account Deposit Date to the extent that funds attributable to the Mortgage Loans that are available in the Custodial Account for deposit in the Certificate Account on such Certificate Account Deposit Date shall be less than payments to Certificateholders required to be made on the following Distribution Date. The Master Servicer shall be entitled to use any Advance made by a Subservicer as described in Section 3.07(b) that has been deposited in the Custodial Account on or before such Distribution Date as part of the Advance made by the Master Servicer pursuant to this Section 4.04. The determination by the Master Servicer that it has made a Nonrecoverable Advance or that any proposed Advance, if made, would constitute a Nonrecoverable Advance,

shall be evidenced by a certificate of a Servicing Officer delivered to the Depositor, the Insurer and the Trustee. In the event that the Master Servicer determines as of the Business Day preceding any Certificate Account Deposit Date that it will be unable to deposit in the Certificate Account an amount equal to the Advance required to be made for the immediately succeeding Distribution Date, it shall give notice to the Trustee and the Insurer of its inability to advance (such notice may be given by telecopy), not later than 3:00 P.M., New York time, on such Business Day, specifying the portion of such amount that it will be unable to deposit. Not later than 3:00 P.M., New York time, on the Certificate Account Deposit Date the Trustee shall, unless by 12:00 Noon, New York time, on such day the Trustee shall have been notified in writing (by telecopy) that the Master Servicer shall have directly or indirectly deposited in the Certificate Account such portion of the amount of the Advance as to which the Master Servicer shall have given notice pursuant to the preceding sentence, pursuant to Section 7.01, (a) terminate all of the rights and obligations of the Master Servicer under this Agreement in accordance with Section 7.01 and (b) assume the rights and obligations of the Master Servicer as successor Master Servicer hereunder, including the obligation to deposit in the Certificate Account an amount equal to the Advance for the immediately succeeding Distribution Date. In connection with the preceding sentence, the Trustee shall deposit all funds it receives pursuant to this Section 4.04(b) into the Certificate Account.

Section 4.05. Allocation of Realized Losses.

(a) Prior to each Distribution Date, the Master Servicer shall determine the total amount of Realized Losses, if any, that resulted from any Cash Liquidation, Servicing Modifications, Debt Service Reduction, Deficient Valuation or REO Disposition that occurred during the related Prepayment Period or, in the case of a Servicing Modification that constitutes a reduction of the interest rate on a Mortgage Loan, the amount of the reduction in the interest portion of the Monthly Payment due in the month in which such Distribution Date occurs. The amount of each Realized Loss shall be evidenced by an Officers' Certificate.

(b) All Realized Losses on the Mortgage Loans shall be allocated or covered as follows:

first, by Excess Cash Flow as provided in clause (b)(v) of the definition of "Principal Distribution Amount", to the extent of the Excess Cash Flow for such Distribution Date;

second, by the reduction of the Overcollateralization Amount, until such amount has been reduced to zero;

third, for any remaining Realized Losses on the Group I Loans, to the Class A-I Certificates on a pro rata basis, and for any remaining Realized Losses on the Group II Loans, to the Class A-II Certificates, in each case until the Certificate Principal Balances thereof have been reduced to zero.

(c) All allocations of a Realized Loss on a "pro rata basis" among two or more specified Classes of Certificates means an allocation on a pro rata basis, among the various Classes so specified, to each such Class of Certificates on the basis of their then outstanding

Certificate Principal Balances prior to giving effect to distributions to be made on such Distribution Date in the case of the principal portion of a Realized Loss or based on the Accrued Certificate Interest thereon payable on such Distribution Date in the case of an interest portion of a Realized Loss. Any allocation of the principal portion of Realized Losses (other than Debt Service Reductions) to the Class A Certificates shall be made by reducing the Certificate Principal Balance thereof by the amount so allocated, which allocation shall be deemed to have occurred on such Distribution Date; provided that no such reduction shall reduce the Certificate Principal Balance of the Class A Certificates below the aggregate Stated Principal Balance of the Mortgage Loans, as applicable. Allocations of the interest portions of Realized Losses (other than any interest rate reduction resulting from a Servicing Modification) shall be made by operation of the definition of "Accrued Certificate Interest" and by operation of the provisions of Section 4.02(c). Allocations of the interest portion of a Realized Loss resulting from an interest rate reduction in connection with a Servicing Modification shall be made by operation of the provisions of Section 4.02(c). All Realized Losses and all other losses allocated to a Class of Certificates hereunder will be allocated among the Certificates of such Class in proportion to the Percentage Interests evidenced thereby.

(d) (i) All Realized Losses on the Group I Loans shall be allocated on each Distribution Date to the following REMIC Regular Interests in the specified percentages, as follows: first, to Uncertificated Accrued Interest payable to the REMIC I Regular Interests I-AA and I-ZZ up to an aggregate amount equal to the excess of (a) the REMIC I Group I Interest Loss Allocation Amount over (b) Prepayment Interest Shortfalls (to the extent not covered by Eligible Master Servicing Compensation) relating to the Mortgage Loans for such Distribution Date, 98% and 2%, respectively; second, to the Uncertificated Principal Balances of the REMIC I Regular Interests I-AA and I-ZZ up to an aggregate amount equal to the REMIC I Principal Loss Allocation Amount, 98% and 2%, respectively; third, to the Uncertificated Principal Balances of REMIC I Regular Interests I-AA, 98%, I-A-I-4, 1% and I-ZZ, 1%, until the Uncertificated Principal Balance of REMIC I Regular Interest I-A-I-4 has been reduced to zero; fourth, to the Uncertificated Principal Balances of REMIC I Regular Interests I-AA, 98%, I-A-I-3, 1%, and I-ZZ, 1%, until the Uncertificated Principal Balances of REMIC I Regular Interest I-A-I-3 has been reduced to zero; fifth, to the Uncertificated Principal Balances of REMIC I Regular Interests I-AA, 98%, I-A-I-2, 1%, and I-ZZ, 1%, until the Uncertificated Principal Balances of REMIC I Regular Interest I-A-I-2 has been reduced to zero; and sixth, to the Uncertificated Principal Balances of REMIC I Regular Interests I-AA, 98%, I-A-I-1, 1%, and I-ZZ, 1%, until the Uncertificated Principal Balances of REMIC I Regular Interest I-A-I-1 has been reduced to zero.

(ii) All Realized Losses on the Group II Loans shall be allocated on each Distribution Date to the following REMIC Regular Interests in the specified percentages, as follows: first, to Uncertificated Accrued Interest payable to the REMIC I Regular Interests II-AA and II-ZZ up to an aggregate amount equal to the excess of (a) the REMIC I Group I Interest Loss Allocation Amount over (b) Prepayment Interest Shortfalls (to the extent not covered by Eligible Master Servicing Compensation) relating to the Mortgage Loans for such Distribution Date, 98% and 2%, respectively; second, to the Uncertificated Principal Balances of the REMIC I Regular Interests II-A-II and II-ZZ up to an aggregate amount equal to the REMIC I Principal Loss Allocation Amount, 98% and 2%, respectively; and third, to the Uncertificated Principal

Balances of REMIC I Regular Interests II-AA, 98%, II-A-II, 1%, and II-ZZ, 1%, until the Uncertificated Principal Balances of REMIC I Regular Interest II-A-II has been reduced to zero.

(e) Realized Losses allocated to the Excess Cash Flow or the Overcollateralization Amount pursuant to paragraphs (a), (b) or (c) of this Section, the definition of Accrued Certificate Interest and the operation of Section 4.02(c) shall be deemed allocated to the Class SB Certificates. Realized Losses allocated to the Class SB Certificates shall, to the extent such Realized Losses represent Realized Losses on an interest portion, be allocated to the Class SB Certificates, in reduction of the accrued but unpaid interest thereon. Realized Losses allocated to the Excess Cash Flow pursuant to paragraph (b) of this Section shall be deemed to reduce Accrued Certificate Interest on the Class SB Certificates. Realized Losses allocated to the Overcollateralization Amount pursuant to paragraph (b) of this Section shall be deemed first to reduce the principal balance of the Class SB Certificates until such principal balance shall have been reduced to zero and thereafter to reduce accrued and unpaid interest on the Class SB Certificates.

Section 4.06. Reports of Foreclosures and Abandonment of Mortgaged Property.

The Master Servicer or the Subservicers shall file information returns with respect to the receipt of mortgage interest received in a trade or business, the reports of foreclosures and abandonments of any Mortgaged Property and the informational returns relating to cancellation of indebtedness income with respect to any Mortgaged Property required by Sections 6050H, 6050J and 6050P of the Code, respectively, and deliver to the Trustee an Officers' Certificate on or before March 31 of each year, beginning with the first March 31 that occurs at least six months after the Cut-Off Date, stating that such reports have been filed. Such reports shall be in form and substance sufficient to meet the reporting requirements imposed by such Sections 6050H, 6050J and 6050P of the Code.

Section 4.07. Optional Purchase of Defaulted Mortgage Loans.

As to any Mortgage Loan which is delinquent in payment by 90 days or more, the Master Servicer may, at its option, purchase such Mortgage Loan from the Trustee at the Purchase Price therefor. If at any time the Master Servicer makes a payment to the Certificate Account covering the amount of the Purchase Price for such a Mortgage Loan, and the Master Servicer provides to the Trustee a certification signed by a Servicing Officer stating that the amount of such payment has been deposited in the Certificate Account, then the Trustee shall execute the assignment of such Mortgage Loan at the request of the Master Servicer without recourse to the Master Servicer which shall succeed to all the Trustee's right, title and interest in and to such Mortgage Loan, and all security and documents relative thereto. Such assignment shall be an assignment outright and not for security. The Master Servicer will thereupon own such Mortgage, and all such security and documents, free of any further obligation to the Trustee or the Certificateholders with respect thereto.

Section 4.08. Limited Mortgage Loan Repurchase Right.

The Limited Repurchase Right Holder will have the irrevocable option at any time to purchase any of the Mortgage Loans from the Trustee at the Purchase Price, up to a maximum of

five Mortgage Loans. In the event that this option is exercised as to any five Mortgage Loans in the aggregate, this option will thereupon terminate. If at any time the Limited Repurchase Right Holder makes a payment to the Certificate Account covering the amount of the Purchase Price for such a Mortgage Loan, and the Limited Repurchase Right Holder provides to the Trustee a certification signed by a Servicing Officer stating that the amount of such payment has been deposited in the Certificate Account, then the Trustee shall execute the assignment of such Mortgage Loan at the request of the Limited Repurchase Right Holder without recourse to the Limited Repurchase Right Holder which shall succeed to all the Trustee's right, title and interest in and to such Mortgage Loan, and all security and documents relative thereto. Such assignment shall be an assignment outright and not for security. The Limited Repurchase Right Holder will thereupon own such Mortgage, and all such security and documents, free of any further obligation to the Trustee or the Certificateholders with respect thereto. Any tax on "prohibited transactions" (as defined in Section 860F(a)(2) of the Code) imposed on any REMIC relating to the exercise of the option provided in this Section 4.08 shall in no event be payable by the Trustee.

Section 4.09. The Yield Maintenance Agreement.

(a) On the Closing Date, the Trustee shall, on behalf of the Trust Fund, for the benefit of the Class A and Class SB Certificates, enter into the Yield Maintenance Agreement.

(b) The Trustee shall deposit or cause to be deposited any amount received under the Yield Maintenance Agreement into the Certificate Account on the date such amount is received from the Yield Maintenance Agreement Provider under the Yield Maintenance Agreement (including Yield Maintenance Agreement Termination Payments, if any). All Yield Maintenance Payments received under the Yield Maintenance Agreement shall be distributed as part of Excess Cash Flow in accordance with the priorities set forth in Section 4.02(c) hereof, whereas, all Yield Maintenance Agreement Termination Payments received under the Yield Maintenance Agreement shall be used as set forth in Section 4.09(e) hereof. Neither the Yield Maintenance Agreement nor any Yield Maintenance Payments (including Yield Maintenance Termination Payments) constitute a part of any REMIC created hereunder and to the extent any Yield Maintenance Payments are included as part of Excess Cash Flow they are so for definition purposes only.

(c) Subject to Sections 8.01 and 8.02 hereof, the Trustee agrees to comply with the terms of the Yield Maintenance Agreement and to enforce the terms and provisions thereof against the Yield Maintenance Agreement Provider at the written direction of the Holders of Class A Certificates entitled to at least 51% of the Voting Rights of such Classes of Certificates, or if the Trustee does not receive such direction from such Certificateholders, then at the written direction of Residential Funding.

(d) The Trustee and the Master Servicer shall treat the holders of each Class of Certificates (other than the Class SB Certificates and Class R Certificates) as having entered into a notional principal contract with the holders of the Class SB Certificates. Pursuant to each such notional principal contract, the holder of the Class SB Certificates shall be treated as having agreed to pay the amounts set forth in Sections 4.02(c)(iv) through (xi) to the holders of the Certificates (other than the Class SB Certificates and Class R Certificates) in accordance with the

terms of this Agreement. Any payments to the Certificates from amounts deemed received in respect of this notional principal contract shall not be payments with respect to a "regular interest" in a REMIC within the meaning of Code Section 860G(a)(1).

(e) In the event that the Yield Maintenance Agreement, or any replacement thereof, terminates prior to the Distribution Date in December 2010, the Master Servicer, but at no expense to the Master Servicer, on behalf of the Trustee, to the extent that the termination value under such Yield Maintenance Agreement is sufficient therefor and only to the extent of the Yield Maintenance Agreement Termination Payment received from the Yield Maintenance Agreement Provider, shall (i) cause a new yield maintenance provider to assume the obligations of such terminated yield maintenance agreement provider or (ii) cause a new yield maintenance agreement provider to enter into a new interest rate yield maintenance agreement with the Trust Fund having substantially similar terms as those set forth in the terminated Yield Maintenance Agreement. Any Yield Maintenance Agreement Termination Payment having a termination value which is not sufficient to comply with clauses (i) and (ii) of this Section 4.09(e) shall be included in the definition of Yield Maintenance Payment herein and may be distributed as Excess Cash Flow pursuant to Section 4.02(c) herein.

Section 4.10. The Policy.

(a) If pursuant to Section 4.04(a)(iv), the Master Servicer determines and notifies a Responsible Officer of the Trustee in writing that a Deficiency Amount exists and the amount of the Required Insured Payment for such Distribution Date, the Trustee shall complete the Notice and submit such Notice in accordance with the Policy to the Insurer no later than 12:00 P.M., New York City time, on the second Business Day immediately preceding each Distribution Date, as a claim for an Insured Payment in an amount equal to such Deficiency Amount.

(b) The Trustee shall establish and maintain the Insurance Account on behalf of the Holders of the Class A Certificates. Upon receipt of an Insured Payment from the Insurer on behalf of the Class A Certificateholders, the Trustee shall deposit such Insured Payment in the Insurance Account. All amounts on deposit in the Insurance Account shall remain uninvested. On each Distribution Date, the Trustee shall transfer any Insured Payment then on deposit in the Insurance Account to the Certificate Account. The Trustee shall distribute on each Distribution Date in accordance with the written statement delivered by the Master Servicer pursuant to Section 4.04(a), the Deficiency Amount for such Distribution Date from the Certificate Account, together with the distributions due to the Class A-I Certificateholders on such Distribution Date, as follows: (i) with respect to the Class A-I Certificates, the portion of any such Deficiency Amount related to clauses (1) and (2)(i) of the definition of Deficiency Amount shall be distributed among the related Class A-I Certificateholders on a pro rata basis in accordance with their respective shortfalls or allocations of Realized Losses; and (ii) the portion of any such Deficiency Amount related to clause (2)(ii) of the definition of Deficiency Amount shall be distributed to the related Class A-I Certificateholders in accordance with Section 9.01(c). The Trustee shall distribute on each Distribution Date the Deficiency Amount for such Distribution Date from the Certificate Account, together with the distributions due to the Class A-II Certificateholders on such Distribution Date, as follows: (i) with respect to the Class A-II Certificates, the portion of any such Deficiency Amount related to clauses (1) and (2)(i) of the definition of Deficiency Amount shall be distributed among the related Class A-II

Certificateholders on a pro rata basis in accordance with their respective shortfalls or allocations of Realized Losses; and (ii) the portion of any such Deficiency Amount related to clause (2)(ii) of the definition of Deficiency Amount shall be distributed to the related Class A-II Certificateholders in accordance with Section 9.01(c).

(c) The Trustee shall (i) receive as attorney-in-fact of each Class A Certificateholder any Insured Payment from the Insurer and (ii) distribute such Insured Payment to such Class A Certificateholders as set forth in subsection (b) above. Insured Payments disbursed by the Trustee from proceeds of the Policy shall not be considered payment by the Trust Fund with respect to the Class A Certificates, nor shall such disbursement of such Insured Payments discharge the obligations of the Trust Fund with respect to the amounts thereof, and the Insurer shall become owner of such amounts to the extent covered by such Insured Payments as the deemed assignee of such Class A Certificateholders. The Trustee hereby agrees on behalf of each Class A Certificateholder (and each Class A Certificateholder, by its acceptance of its Class A Certificates, hereby agrees) for the benefit of the Insurer that the Trustee shall recognize that to the extent the Insurer pays Insured Payments, either directly or indirectly (as by paying through the Trustee), to the Class A Certificateholders, the Insurer will be entitled to be subrogated to the rights of the Class A Certificateholders to the extent of such payments.

Section 4.11. Derivative Contracts.

(a) The Trustee shall, at the written direction of the Master Servicer, on behalf of the Trust Fund, enter into Derivative Contracts, solely for the benefit of the Class SB Certificates. Any such Derivative Contract shall constitute a fully prepaid agreement. The Master Servicer shall determine, in its sole discretion, whether any Derivative Contract conforms to the requirements of clauses (b) and (c) of this Section 4.11. Any acquisition of a Derivative Contract shall be accompanied by an appropriate amendment to this Agreement, including an Opinion of Counsel, as provided in Section 11.01, and either (i) an Opinion of Counsel to the effect that the existence of the Derivative Contract will not adversely affect the availability of the exemptive relief afforded under ERISA by U.S. Department of Labor Prohibited Transaction Exemption ("PTE") 94-29, as most recently amended, 67 Fed. Reg. 54487 (Aug. 22, 2002), to the Holders of the Class A Certificates, as of the date the Derivative Contract is acquired by the Trustee; or (ii) the consent of each holder of a Class A Certificate to the acquisition of such Derivative Contract. All collections, proceeds and other amounts in respect of the Derivative Contracts payable by the Derivative Counterparty shall be distributed to the Class SB Certificates on the Distribution Date following receipt thereof by the Trustee on behalf of the Trust Fund. In no event shall such an instrument constitute a part of any REMIC created hereunder. In addition, in the event any such instrument is deposited, the Trust Fund shall be deemed to be divided into two separate and discrete sub-Trusts. The assets of one such sub-Trust shall consist of all the assets of the Trust other than such instrument and the assets of the other sub-Trust shall consist solely of such instrument.

(b) Any Derivative Contract that provides for any payment obligation on the part of the Trust Fund must (i) be without recourse to the assets of the Trust Fund, (ii) contain a non-petition covenant provision from the Derivative Counterparty, (iii) limit payment dates thereunder to Distribution Dates and (iv) contain a provision limiting any cash payments due to the Derivative Counterparty on any day under such Derivative Contract solely to funds available

therefor in the Certificate Account available to make payments to the Holders of the Class SB Certificates on such Distribution Date.

(c) Each Derivative Contract must (i) provide for the direct payment of any amounts by the Derivative Counterparty thereunder to the Certificate Account at least one Business Day prior to the related Distribution Date, (ii) contain an assignment of all of the Trust Fund's rights (but none of its obligations) under such Derivative Contract to the Trustee on behalf the Class SB Certificateholders and shall include an express consent to the Derivative Counterparty to such assignment, (iii) provide that in the event of the occurrence of an Event of Default, such Derivative Contract shall terminate upon the direction of a majority Percentage Interest of the Class SB Certificates, and (iv) prohibit the Derivative Counterparty from "setting-off" or "netting" other obligations of the Trust Fund and its Affiliates against such Derivative Counterparty's payment obligations thereunder.

Section 4.12. Tax Treatment of Yield Maintenance Payments.

For federal income tax purposes, each holder of a Class A or Class SB Certificate is deemed to own an undivided beneficial ownership interest in a REMIC regular interest and the right to receive payments received by the Trustee, on behalf of the Trust Fund, pursuant to the Yield Maintenance Agreement in respect of the amounts set forth in Section 4.09(b) which right to receive such payments shall not be attributable to any asset or amount owed by any REMIC created hereunder.

ARTICLE V
THE CERTIFICATES

Section 5.01. The Certificates.

(a) The Class A, Class SB and Class R Certificates shall be substantially in the forms set forth in Exhibits A, D and E, respectively, and shall, on original issue, be executed and delivered by the Trustee to the Certificate Registrar for authentication and delivery to or upon the order of the Depositor upon receipt by the Trustee or one or more Custodians of the documents specified in Section 2.01. The Class A Certificates shall be issuable in minimum dollar denominations of \$100,000 and integral multiples of \$1 in excess thereof. The Class SB Certificates shall be issuable in registered, certificated form in minimum percentage interests of 5.00% and integral multiples of 0.01% in excess thereof. Each Class of Class R Certificates shall be issued in registered, certificated form in minimum percentage interests of 20.00% and integral multiples of 0.01% in excess thereof, *provided, however*, that one Class R Certificate of each Class will be issuable to the REMIC Administrator as "tax matters person" pursuant to Section 10.01(c) in a minimum denomination representing a Percentage Interest of not less than 0.01%. The Certificates shall be executed by manual or facsimile signature on behalf of an authorized officer of the Trustee. Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Trustee shall bind the Trustee, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Certificate or did not hold such offices at the date of such Certificates. No Certificate shall be entitled to any benefit under this Agreement, or be valid for any purpose, unless there appears on such Certificate a certificate of authentication substantially in the form

provided for herein executed by the Certificate Registrar by manual signature, and such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly authenticated and delivered hereunder. All Certificates shall be dated the date of their authentication.

(b) The Class A Certificates shall initially be issued as one or more Certificates registered in the name of the Depository or its nominee and, except as provided below, registration of such Certificates may not be transferred by the Trustee except to another Depository that agrees to hold such Certificates for the respective Certificate Owners with Ownership Interests therein. The Certificate Owners shall hold their respective Ownership Interests in and to each such Class A Certificate through the book-entry facilities of the Depository and, except as provided below, shall not be entitled to Definitive Certificates in respect of such Ownership Interests. All transfers by Certificate Owners of their respective Ownership Interests in the Book-Entry Certificates shall be made in accordance with the procedures established by the Depository Participant or brokerage firm representing such Certificate Owner. Each Depository Participant shall transfer the Ownership Interests only in the Book-Entry Certificates of Certificate Owners it represents or of brokerage firms for which it acts as agent in accordance with the Depository's normal procedures.

The Trustee, the Master Servicer and the Depositor may for all purposes (including the making of payments due on the respective Classes of Book-Entry Certificates) deal with the Depository as the authorized representative of the Certificate Owners with respect to the respective Classes of Book-Entry Certificates for the purposes of exercising the rights of Certificateholders hereunder. The rights of Certificate Owners with respect to the respective Classes of Book-Entry Certificates shall be limited to those established by law and agreements between such Certificate Owners and the Depository Participants and brokerage firms representing such Certificate Owners. Multiple requests and directions from, and votes of, the Depository as Holder of any Class of Book-Entry Certificates with respect to any particular matter shall not be deemed inconsistent if they are made with respect to different Certificate Owners. The Trustee may establish a reasonable record date in connection with solicitations of consents from or voting by Certificateholders and shall give notice to the Depository of such record date.

In addition, if an Event of Default has occurred and is continuing, each Certificate Owner materially adversely affected thereby may at its option request a Definitive Certificate evidencing such Certificate Owner's Percentage Interest in the related Class of Certificates. In order to make such request, such Certificate Owner shall, subject to the rules and procedures of the Depository, provide the Depository or the related Depository Participant with directions for the Trustee to exchange or cause the exchange of the Certificate Owner's interest in such Class of Certificates for an equivalent Percentage Interest in fully registered definitive form. Upon receipt by the Trustee of instruction from the Depository directing the Trustee to effect such exchange (such instructions to contain information regarding the Class of Certificates and the Certificate Principal Balance being exchanged, the Depository Participant account to be debited with the decrease, the registered holder of and delivery instructions for the Definitive Certificates and any other information reasonably required by the Trustee), (i) the Trustee shall instruct the Depository to reduce the related Depository Participant's account by the aggregate Certificate Principal Balance of the Definitive Certificates, (ii) the Trustee shall execute, authenticate and

deliver, in accordance with the registration and delivery instructions provided by the Depository, a Definitive Certificate evidencing such Certificate Owner's Percentage Interest in such Class of Certificates and (iii) the Trustee shall execute and authenticate a new Book-Entry Certificate reflecting the reduction in the aggregate Certificate Principal Balance of such Class of Certificates by the amount of the Definitive Certificates.

If (i)(A) the Depositor advises the Trustee in writing that the Depository is no longer willing or able to properly discharge its responsibilities as Depository and (B) the Depositor is unable to locate a qualified successor or (ii) the Depositor notifies the Depository of its intent to terminate the book-entry system and, upon receipt of notice of such intent from the Depository, the Depository Participants holding beneficial interest in the Book-Entry Certificates agree to initiate such termination, the Trustee shall notify all Certificate Owners, through the Depository, of the occurrence of any such event and of the availability of Definitive Certificates to Certificate Owners requesting the same. Upon surrender to the Trustee of the Book-Entry Certificates by the Depository, accompanied by registration instructions from the Depository for registration of transfer, the Trustee shall issue the Definitive Certificates. Neither the Depositor, the Master Servicer nor the Trustee shall be liable for any actions taken by the Depository or its nominee, including, without limitation, any delay in delivery of any instruction required under this section and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Certificates, the Trustee and the Master Servicer shall recognize the Holders of the Definitive Certificates as Certificateholders hereunder.

(c) Each of the Certificates is intended to be a "security" governed by Article 8 of the Uniform Commercial Code as in effect in the State of New York and any other applicable jurisdiction, to the extent that any of such laws may be applicable.

Section 5.02. Registration of Transfer and Exchange of Certificates.

(a) The Trustee shall cause to be kept at one of the offices or agencies to be appointed by the Trustee, in accordance with the provisions of Section 8.12, a Certificate Register in which, subject to such reasonable regulations as it may prescribe, the Trustee shall provide for the registration of Certificates and of transfers and exchanges of Certificates as herein provided. The Trustee is initially appointed Certificate Registrar for the purpose of registering Certificates and transfers and exchanges of Certificates as herein provided. The Certificate Registrar, or the Trustee, shall provide the Master Servicer with a certified list of Certificateholders as of each Record Date prior to the related Determination Date.

(b) Upon surrender for registration of transfer of any Certificate at any office or agency of the Trustee maintained for such purpose pursuant to Section 8.12 and, in the case of any Class SB or Class R Certificate, upon satisfaction of the conditions set forth below, the Trustee shall execute and the Certificate Registrar shall authenticate and deliver, in the name of the designated Transferee or Transferees, one or more new Certificates of a like Class and aggregate Percentage Interest.

(c) At the option of the Certificateholders, Certificates may be exchanged for other Certificates of authorized denominations of a like Class and aggregate Percentage Interest, upon surrender of the Certificates to be exchanged at any such office or agency. Whenever any

Certificates are so surrendered for exchange the Trustee shall execute and the Certificate Registrar shall authenticate and deliver the Certificates of such Class which the Certificateholder making the exchange is entitled to receive. Every Certificate presented or surrendered for transfer or exchange shall (if so required by the Trustee or the Certificate Registrar) be duly endorsed by, or be accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing.

(d) No transfer, sale, pledge or other disposition of a Class SB or Class R Certificate shall be made unless such transfer, sale, pledge or other disposition is exempt from the registration requirements of the Securities Act of 1933, as amended (the "1933 Act"), and any applicable state securities laws or is made in accordance with said Act and laws. Except as otherwise provided in this Section 5.02(d), in the event that a transfer of a Class SB or Class R Certificate is to be made, (i) unless the Depositor directs the Trustee otherwise, the Trustee shall require a written Opinion of Counsel addressed to and acceptable to and in form and substance satisfactory to the Trustee and the Depositor that such transfer may be made pursuant to an exemption, describing the applicable exemption and the basis therefor, from said Act and laws or is being made pursuant to said Act and laws, which Opinion of Counsel shall not be an expense of the Trustee, the Trust Fund, the Depositor or the Master Servicer, and (ii) the Trustee shall require the Transferee to execute a representation letter, substantially in the form of Exhibit J hereto, and the Trustee shall require the transferor to execute a representation letter, substantially in the form of Exhibit K hereto, each acceptable to and in form and substance satisfactory to the Depositor and the Trustee certifying to the Depositor and the Trustee the facts surrounding such transfer, which representation letters shall not be an expense of the Trustee, the Trust Fund, the Depositor or the Master Servicer. In lieu of the requirements set forth in the preceding sentence, transfers of Class SB or Class R Certificates may be made in accordance with this Section 5.02(d) if the prospective Transferee of such a Certificate provides the Trustee and the Master Servicer with an investment letter substantially in the form of Exhibit O attached hereto, which investment letter shall not be an expense of the Trustee, the Depositor, or the Master Servicer, and which investment letter states that, among other things, such Transferee (i) is a "qualified institutional buyer" as defined under Rule 144A, acting for its own account or the accounts of other "qualified institutional buyers" as defined under Rule 144A, and (ii) is aware that the proposed transferor intends to rely on the exemption from registration requirements under the 1933 Act provided by Rule 144A. The Holder of a Class SB or Class R Certificate desiring to effect any transfer, sale, pledge or other disposition shall, and does hereby agree to, indemnify the Trustee, the Depositor, the Master Servicer and the Certificate Registrar against any liability that may result if the transfer, sale, pledge or other disposition is not so exempt or is not made in accordance with such federal and state laws and this Agreement.

(e) In the case of any Class SB Certificate or Class R Certificate presented for registration in the name of any Person, either (A) the Trustee shall require an Opinion of Counsel acceptable to and in form and substance satisfactory to the Trustee, the Depositor and the Master Servicer to the effect that the purchase and holding of such Class SB or Class R Certificate is permissible under applicable law, will not constitute or result in any non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or comparable provisions of any subsequent enactments), and will not subject the Trustee, the Depositor or the Master Servicer to any obligation or liability (including obligations or liabilities under ERISA or

Section 4975 of the Code) in addition to those undertaken in this Agreement, which Opinion of Counsel shall not be an expense of the Trustee, the Depositor or the Master Servicer, or (B) the prospective Transferee shall be required to provide the Trustee, the Depositor and the Master Servicer with a certification to the effect set forth in Exhibit J (with respect to a Class SB Certificate) or in paragraph fifteen of Exhibit I-1 (with respect to a Class R Certificate), which the Trustee may rely upon without further inquiry or investigation, or such other certifications as the Trustee may deem desirable or necessary in order to establish that such Transferee or the Person in whose name such registration is requested is not an employee benefit plan or other plan subject to the prohibited transaction provisions of ERISA or Section 4975 of the Code (each, a "Plan"), or any Person (including, without limitation, an insurance company investing its general accounts, an investment manager, a named fiduciary or a trustee of any Plan) who is using "plan assets", within the meaning of the U.S. Department of Labor regulation promulgated at 29 C.F.R. § 2510.3 101, of any Plan (each, a "Plan Investor") to effect such acquisition.

(f) (i) Each Person who has or who acquires any Ownership Interest in a Class R Certificate shall be deemed by the acceptance or acquisition of such Ownership Interest to have agreed to be bound by the following provisions and to have irrevocably authorized the Trustee or its designee under clause (iii)(A) below to deliver payments to a Person other than such Person and to negotiate the terms of any mandatory sale under clause (iii)(B) below and to execute all instruments of transfer and to do all other things necessary in connection with any such sale. The rights of each Person acquiring any Ownership Interest in a Class R Certificate are expressly subject to the following provisions:

(A) Each Person holding or acquiring any Ownership Interest in a Class R Certificate shall be a Permitted Transferee and shall promptly notify the Trustee of any change or impending change in its status as a Permitted Transferee.

(B) In connection with any proposed Transfer of any Ownership Interest in a Class R Certificate, the Trustee shall require delivery to it, and shall not register the Transfer of any Class R Certificate until its receipt of,

(I) an affidavit and agreement (a "Transfer Affidavit and Agreement," in the form attached hereto as Exhibit I-1) from the proposed Transferee, in form and substance satisfactory to the Master Servicer, representing and warranting, among other things, that it is a Permitted Transferee, that it is not acquiring its Ownership Interest in the Class R Certificate that is the subject of the proposed Transfer as a nominee, trustee or agent for any Person who is not a Permitted Transferee, that for so long as it retains its Ownership Interest in a Class R Certificate, it will endeavor to remain a Permitted Transferee, and that it has reviewed the provisions of this Section 5.02(f) and agrees to be bound by them, and

(II) a certificate, in the form attached hereto as Exhibit I-2, from the Holder wishing to transfer the Class R Certificate, in form and substance satisfactory to the Master Servicer, representing and warranting, among other things, that no purpose of the proposed Transfer is to impede the assessment or collection of tax.

(C) Notwithstanding the delivery of a Transfer Affidavit and Agreement by a proposed Transferee under clause (B) above, if a Responsible Officer of the Trustee who is assigned to this Agreement has actual knowledge that the proposed Transferee is not a Permitted Transferee, no Transfer of an Ownership Interest in a Class R Certificate to such proposed Transferee shall be effected.

(D) Each Person holding or acquiring any Ownership Interest in a Class R Certificate shall agree (x) to require a Transfer Affidavit and Agreement from any other Person to whom such Person attempts to transfer its Ownership Interest in a Class R Certificate and (y) not to transfer its Ownership Interest unless it provides a certificate to the Trustee in the form attached hereto as Exhibit I-2.

(E) Each Person holding or acquiring an Ownership Interest in a Class R Certificate, by purchasing an Ownership Interest in such Certificate, agrees to give the Trustee written notice that it is a "pass-through interest holder" within the meaning of Temporary Treasury Regulations Section 1.67-3T(a)(2)(i)(A) immediately upon acquiring an Ownership Interest in a Class R Certificate, if it is, or is holding an Ownership Interest in a Class R Certificate on behalf of, a "pass-through interest holder."

(ii) The Trustee shall register the Transfer of any Class R Certificate only if it shall have received the Transfer Affidavit and Agreement, a certificate of the Holder requesting such transfer in the form attached hereto as Exhibit I-2 and all of such other documents as shall have been reasonably required by the Trustee as a condition to such registration. Transfers of the Class R Certificates to Non-United States Persons and Disqualified Organizations (as defined in Section 860E(e)(5) of the Code) are prohibited.

(A) If any Disqualified Organization shall become a holder of a Class R Certificate, then the last preceding Permitted Transferee shall be restored, to the extent permitted by law, to all rights and obligations as Holder thereof retroactive to the date of registration of such Transfer of such Class R Certificate. If a Non-United States Person shall become a holder of a Class R Certificate, then the last preceding United States Person shall be restored, to the extent permitted by law, to all rights and obligations as Holder thereof retroactive to the date of registration of such Transfer of such Class R Certificate. If a transfer of a Class R Certificate is disregarded pursuant to the provisions of Treasury Regulations Section 1.860E-1 or Section 1.860G-3, then the last preceding Permitted Transferee shall be restored, to the extent permitted by law, to all rights and obligations as Holder thereof retroactive to the date of registration of such Transfer of such Class R Certificate. The Trustee shall be under no liability to any Person for any registration of Transfer of a Class R Certificate that is in fact not permitted by this Section 5.02(f) or for making any payments due on such Certificate to the holder thereof or for taking any other action with respect to such holder under the provisions of this Agreement.

(B) If any purported Transferee shall become a Holder of a Class R Certificate in violation of the restrictions in this Section 5.02(f) and to the extent that the retroactive restoration of the rights of the Holder of such Class R Certificate as described in clause (ii)(A) above shall be invalid, illegal or unenforceable, then the Master Servicer shall have the right, without notice to the holder or any prior holder of such Class R Certificate, to sell such Class R Certificate to a purchaser selected by the Master Servicer on such terms as the Master Servicer may choose. Such purported Transferee shall promptly endorse and deliver each Class R Certificate in accordance with the instructions of the Master Servicer. Such purchaser may be the Master Servicer itself or any Affiliate of the Master Servicer. The proceeds of such sale, net of the commissions (which may include commissions payable to the Master Servicer or its Affiliates), expenses and taxes due, if any, will be remitted by the Master Servicer to such purported Transferee. The terms and conditions of any sale under this clause (ii)(B) shall be determined in the sole discretion of the Master Servicer, and the Master Servicer shall not be liable to any Person having an Ownership Interest in a Class R Certificate as a result of its exercise of such discretion.

(iii) The Master Servicer, on behalf of the Trustee, shall make available, upon written request from the Trustee, all information necessary to compute any tax imposed

(A) as a result of the Transfer of an Ownership Interest in a Class R Certificate to any Person who is a Disqualified Organization, including the information regarding "excess inclusions" of such Class R Certificates required to be provided to the Internal Revenue Service and certain Persons as described in Treasury Regulations Sections 1.860D-1(b)(5) and 1.860E-2(a)(5), and

(B) as a result of any regulated investment company, real estate investment trust, common trust fund, partnership, trust, estate or organization described in Section 1381 of the Code that holds an Ownership Interest in a Class R Certificate having as among its record holders at any time any Person who is a Disqualified Organization. Reasonable compensation for providing such information may be required by the Master Servicer from such Person.

(iv) The provisions of this Section 5.02(f) set forth prior to this clause (iv) may be modified, added to or eliminated, provided that there shall have been delivered to the Trustee the following:

(A) Written consent of the Insurer and written notification from each Rating Agency to the effect that the modification, addition to or elimination of such provisions will not cause such Rating Agency to downgrade its then-current ratings, if any, of the Class A Certificates below the lower of the then-current rating or the rating assigned to such Certificates as of the Closing Date by such Rating Agency; and

(B) a certificate of the Master Servicer stating that the Master Servicer has received an Opinion of Counsel, in form and substance satisfactory to the

Master Servicer, to the effect that such modification, addition to or absence of such provisions will not cause any REMIC created hereunder to cease to qualify as a REMIC and will not cause (x) any REMIC created hereunder to be subject to an entity-level tax caused by the Transfer of any Class R Certificate to a Person that is a Disqualified Organization or (y) a Certificateholder or another Person to be subject to a REMIC-related tax caused by the Transfer of a Class R Certificate to a Person that is not a Permitted Transferee.

(g) No service charge shall be made for any transfer or exchange of Certificates of any Class, but the Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

(h) All Certificates surrendered for transfer and exchange shall be destroyed by the Certificate Registrar.

Section 5.03. Mutilated, Destroyed, Lost or Stolen Certificates.

If (i) any mutilated Certificate is surrendered to the Certificate Registrar, or the Trustee and the Certificate Registrar receive evidence to their satisfaction of the destruction, loss or theft of any Certificate, and (ii) there is delivered to the Trustee and the Certificate Registrar such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Trustee or the Certificate Registrar that such Certificate has been acquired by a bona fide purchaser, the Trustee shall execute and the Certificate Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor, Class and Percentage Interest but bearing a number not contemporaneously outstanding. Upon the issuance of any new Certificate under this Section, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee and the Certificate Registrar) connected therewith. Any duplicate Certificate issued pursuant to this Section shall constitute complete and indefeasible evidence of ownership in the Trust Fund, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

Section 5.04. Persons Deemed Owners.

Prior to due presentation of a Certificate for registration of transfer, the Depositor, the Master Servicer, the Insurer, the Trustee, the Certificate Registrar and any agent of the Depositor, the Master Servicer, the Insurer, the Trustee or the Certificate Registrar may treat the Person in whose name any Certificate is registered as the owner of such Certificate for the purpose of receiving distributions pursuant to Section 4.02 and for all other purposes whatsoever, except as and to the extent provided in the definition of "Certificateholder" and neither the Depositor, the Master Servicer, the Insurer, the Trustee, the Certificate Registrar nor any agent of the Depositor, the Master Servicer, the Insurer, the Trustee or the Certificate Registrar shall be affected by notice to the contrary except as provided in Section 5.02(f).

Section 5.05. Appointment of Paying Agent.

The Trustee may, with the consent of the Insurer (so long as no Insurer Default exists), which consent shall not be unreasonably withheld, appoint a Paying Agent for the purpose of making distributions to Certificateholders pursuant to Section 4.02. In the event of any such appointment, on or prior to each Distribution Date the Master Servicer on behalf of the Trustee shall deposit or cause to be deposited with the Paying Agent a sum sufficient to make the payments to Certificateholders in the amounts and in the manner provided for in Section 4.02, such sum to be held in trust for the benefit of Certificateholders. The Trustee shall cause each Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent will hold all sums held by it for the payment to Certificateholders in trust for the benefit of the Certificateholders entitled thereto until such sums shall be paid to such Certificateholders. Any sums so held by such Paying Agent shall be held only in Eligible Accounts to the extent such sums are not distributed to the Certificateholders on the date of receipt by such Paying Agent.

**ARTICLE VI
THE DEPOSITOR AND THE MASTER SERVICER**

Section 6.01. Respective Liabilities of the Depositor and the Master Servicer.

The Depositor and the Master Servicer shall each be liable in accordance herewith only to the extent of the obligations specifically and respectively imposed upon and undertaken by the Depositor and the Master Servicer herein. By way of illustration and not limitation, the Depositor is not liable for the servicing and administration of the Mortgage Loans, nor is it obligated by Section 7.01 or 10.01 to assume any obligations of the Master Servicer or to appoint a designee to assume such obligations, nor is it liable for any other obligation hereunder that it may, but is not obligated to, assume unless it elects to assume such obligation in accordance herewith.

Section 6.02. Merger or Consolidation of the Depositor or the Master Servicer;
Assignment of Rights and Delegation of Duties by Master Servicer.

(a) The Depositor and the Master Servicer shall each keep in full effect its existence, rights and franchises as a corporation under the laws of the state of its incorporation, and will each obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Agreement, the Certificates or any of the Mortgage Loans and to perform its respective duties under this Agreement.

(b) Any Person into which the Depositor or the Master Servicer may be merged or consolidated, or any corporation resulting from any merger or consolidation to which the Depositor or the Master Servicer shall be a party, or any Person succeeding to the business of the Depositor or the Master Servicer, shall be the successor of the Depositor or the Master Servicer, as the case may be, hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding; *provided, however,* that the successor or surviving Person to the Master Servicer shall be qualified to service mortgage loans on behalf of Fannie Mae or Freddie Mac; and provided further that each

Rating Agency's ratings, if any, of the Class A Certificates (without taking into account the Policy) in effect immediately prior to such merger or consolidation will not be qualified, reduced or withdrawn as a result thereof (as evidenced by a letter to such effect from each Rating Agency).

(c) Notwithstanding anything else in this Section 6.02 and Section 6.04 to the contrary, the Master Servicer may assign its rights and delegate its duties and obligations under this Agreement; provided that the Person accepting such assignment or delegation shall be a Person which is qualified to service mortgage loans on behalf of Fannie Mae or Freddie Mac, is reasonably satisfactory to the Trustee, the Insurer and the Depositor, is willing to service the Mortgage Loans and executes and delivers to the Depositor, the Insurer and the Trustee an agreement, in form and substance reasonably satisfactory to the Depositor, the Insurer and the Trustee, which contains an assumption by such Person of the due and punctual performance and observance of each covenant and condition to be performed or observed by the Master Servicer under this Agreement; provided further that each Rating Agency's rating of the Classes of Certificates (without taking into account the Policy) that have been rated in effect immediately prior to such assignment and delegation will not be qualified, reduced or withdrawn as a result of such assignment and delegation (as evidenced by a letter to such effect from each Rating Agency). In the case of any such assignment and delegation, the Master Servicer shall be released from its obligations under this Agreement, except that the Master Servicer shall remain liable for all liabilities and obligations incurred by it as Master Servicer hereunder prior to the satisfaction of the conditions to such assignment and delegation set forth in the next preceding sentence. This Section 6.02 shall not apply to any sale, transfer, pledge or assignment by Residential Funding of the Call Rights. Notwithstanding the foregoing, in the event of a pledge or assignment by the Master Servicer solely of its rights to purchase all assets of the Trust Fund under Section 9.01(a) (or, if so specified in Section 9.01(a), its rights to purchase the Mortgage Loans and property acquired related to a particular Loan Group or its rights to purchase the Certificates related thereto), the provisos of the first sentence of this paragraph will not apply.

Section 6.03. Limitation on Liability of the Depositor, the Master Servicer and Others.

None of the Depositor, the Master Servicer or any of the directors, officers, employees or agents of the Depositor or the Master Servicer shall be under any liability to the Trust Fund or the Certificateholders for any action taken or for refraining from the taking of any action in good faith pursuant to this Agreement, or for errors in judgment; *provided, however*, that this provision shall not protect the Depositor, the Master Servicer or any such Person against any breach of warranties or representations made herein or any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. The Depositor, the Master Servicer and any director, officer, employee or agent of the Depositor or the Master Servicer may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Depositor, the Master Servicer and any director, officer, employee or agent of the Depositor or the Master Servicer shall be indemnified by the Trust Fund and held harmless against any loss, liability or expense incurred in connection with any legal action relating to this Agreement or the Certificates, other than any loss, liability or expense related to any specific Mortgage Loan or Mortgage Loans (except as any such loss, liability or expense shall be otherwise reimbursable pursuant to this

Agreement) and any loss, liability or expense incurred by reason of willful misfeasance, bad faith or gross negligence in the performance of duties hereunder or by reason of reckless disregard of obligations and duties hereunder. Neither the Depositor nor the Master Servicer shall be under any obligation to appear in, prosecute or defend any legal or administrative action, proceeding, hearing or examination that is not incidental to its respective duties under this Agreement and which in its opinion may involve it in any expense or liability; *provided, however*, that the Depositor or the Master Servicer may in its discretion undertake any such action, proceeding, hearing or examination that it may deem necessary or desirable in respect to this Agreement and the rights and duties of the parties hereto and the interests of the Certificateholders hereunder. In such event, the legal expenses and costs of such action, proceeding, hearing or examination and any liability resulting therefrom shall be expenses, costs and liabilities of the Trust Fund, and the Depositor and the Master Servicer shall be entitled to be reimbursed therefor out of amounts attributable to the Mortgage Loans on deposit in the Custodial Account as provided by Section 3.10 and, on the Distribution Date(s) following such reimbursement, the aggregate of such expenses and costs shall be allocated in reduction of the Accrued Certificate Interest on each Class entitled thereto in the same manner as if such expenses and costs constituted a Prepayment Interest Shortfall.

Section 6.04. Depositor and Master Servicer Not to Resign.

Subject to the provisions of Section 6.02, neither the Depositor nor the Master Servicer shall resign from its respective obligations and duties hereby imposed on it except upon determination that its duties hereunder are no longer permissible under applicable law. Any such determination permitting the resignation of the Depositor or the Master Servicer shall be evidenced by an Opinion of Counsel (at the expense of the resigning party) to such effect delivered to the Trustee and the Insurer. No such resignation by the Master Servicer shall become effective until the Trustee or a successor servicer shall have assumed the Master Servicer's responsibilities and obligations in accordance with Section 7.02.

**ARTICLE VII
DEFAULT**

Section 7.01. Events of Default.

Event of Default, wherever used herein, means any one of the following events (whatever reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(i) the Master Servicer shall fail to distribute or cause to be distributed to Holders of Certificates of any Class any distribution required to be made under the terms of the Certificates of such Class and this Agreement and, in either case, such failure shall continue unremedied for a period of 5 days after the date upon which written notice of such failure, requiring such failure to be remedied, shall have been given to the Master Servicer by the Trustee, the Insurer or the Depositor or to the Master Servicer, the Depositor and the Trustee by the Holders of Certificates of such Class evidencing Percentage Interests aggregating not less than 25%; or

(ii) the Master Servicer shall fail to observe or perform in any material respect any other of the covenants or agreements on the part of the Master Servicer contained in the Certificates of any Class or in this Agreement and such failure shall continue unremedied for a period of 30 days (except that such number of days shall be 15 in the case of a failure to pay the premium for any Required Insurance Policy) after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Master Servicer by the Trustee, the Insurer or the Depositor, or to the Master Servicer, the Depositor and the Trustee by the Holders of Certificates of any Class evidencing, as to such Class, Percentage Interests aggregating not less than 25%; or

(iii) a decree or order of a court or agency or supervisory authority having jurisdiction in the premises in an involuntary case under any present or future federal or state bankruptcy, insolvency or similar law or appointing a conservator or receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, shall have been entered against the Master Servicer and such decree or order shall have remained in force undischarged or unstayed for a period of 60 days; or

(iv) the Master Servicer shall consent to the appointment of a conservator or receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities, or similar proceedings of, or relating to, the Master Servicer or of, or relating to, all or substantially all of the property of the Master Servicer; or

(v) the Master Servicer shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of, or commence a voluntary case under, any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors, or voluntarily suspend payment of its obligations; or

(vi) the Master Servicer shall notify the Trustee pursuant to Section 4.04(b) that it is unable to deposit in the Certificate Account an amount equal to the Advance.

If an Event of Default described in clauses (i)-(v) of this Section shall occur, then, and in each and every such case, so long as such Event of Default shall not have been remedied, either the Depositor or the Trustee shall at the written direction of the Insurer (unless an Insurer Default has occurred and is continuing) or, if an Insurer Default has occurred and is continuing, at the direction of Holders of Certificates entitled to at least 51% of the Voting Rights, by notice in writing to the Master Servicer (and to the Depositor and the Insurer if given by the Trustee or to the Trustee and the Insurer if given by the Depositor), terminate all of the rights and obligations of the Master Servicer under this Agreement and in and to the Mortgage Loans and the proceeds thereof, other than its rights as a Certificateholder hereunder; *provided, however*, that a successor to the Master Servicer is appointed pursuant to Section 7.02 and such successor Master Servicer shall have accepted the duties of Master Servicer effective upon the resignation of the Master Servicer. If an Event of Default described in clause (vi) hereof shall occur, the Trustee, with the written consent of the Insurer (unless an Insurer Default has occurred and is continuing) or, if an Insurer Default has occurred and is continuing, with the consent of Holders of Certificates entitled to at least 51% of the Voting Rights, shall, by notice to the Master Servicer and the

Depositor, immediately terminate all of the rights and obligations of the Master Servicer under this Agreement and in and to the Mortgage Loans and the proceeds thereof, other than its rights as a Certificateholder hereunder as provided in Section 4.04(b). On or after the receipt by the Master Servicer of such written notice, all authority and power of the Master Servicer under this Agreement, whether with respect to the Certificates (other than as a Holder thereof) or the Mortgage Loans or otherwise, shall subject to Section 7.02 pass to and be vested in the Trustee or the Trustee's designee appointed pursuant to Section 7.02; and, without limitation, the Trustee is hereby authorized and empowered to execute and deliver, on behalf of the Master Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement or assignment of the Mortgage Loans and related documents, or otherwise. The Master Servicer agrees to cooperate with the Trustee in effecting the termination of the Master Servicer's responsibilities and rights hereunder, including, without limitation, the transfer to the Trustee or its designee for administration by it of all cash amounts which shall at the time be credited to the Custodial Account or the Certificate Account or thereafter be received with respect to the Mortgage Loans. No such termination shall release the Master Servicer for any liability that it would otherwise have hereunder for any act or omission prior to the effective time of such termination. Notwithstanding any termination of the activities of Residential Funding in its capacity as Master Servicer hereunder, Residential Funding shall be entitled to receive, out of any late collection of a Monthly Payment on a Mortgage Loan which was due prior to the notice terminating Residential Funding's rights and obligations as Master Servicer hereunder and received after such notice, that portion to which Residential Funding would have been entitled pursuant to Sections 3.10(a)(ii), (vi) and (vii) as well as its Servicing Fee in respect thereof, and any other amounts payable to Residential Funding hereunder the entitlement to which arose prior to the termination of its activities hereunder. Upon the termination of Residential Funding as Master Servicer hereunder the Depositor shall deliver to the Trustee as successor Master Servicer a copy of the Program Guide. In addition, the Depositor shall make access to the Program Guide available to the Insurer.

Section 7.02. Trustee or Depositor to Act; Appointment of Successor.

(a) On and after the time the Trustee, the Insurer and the Master Servicer, as applicable, receive a notice of termination from the Depositor or the Trustee pursuant to Section 7.01 or the Insurer pursuant to Section 7.05, the Depositor or the Trustee shall, at the direction of the Insurer (unless an Insurer Default has occurred and is continuing) or, if an Insurer Default has occurred and is continuing, at the direction of the Insurer with the consent of the Holders of the Class A Certificates in accordance with Section (e) below, select and appoint a successor Master Servicer, and if the Insurer or such Holders of Class A Certificates, as applicable, fails to provide such direction and/or consent, as the case may be, within 30 days, the Trustee or, upon notice to the Insurer and the Depositor and with the Depositor's consent and, so long as no Insurer Default exists, with the Insurer's consent (which consent shall not be unreasonably withheld), a designee (which meets the standards set forth in clause (c) below) of the Trustee, shall be the successor in all respects to the Master Servicer in its capacity as servicer under this Agreement and the transactions set forth or provided for herein.

(b) On and after the time the Master Servicer resigns in accordance with Section 6.04, the Trustee or, upon notice to the Depositor and with the Depositor's consent and, so long as no Insurer Default exists, the Insurer's consent (which consent shall not be unreasonably withheld) a designee (which meets the standards set forth in clause (c) below) of the Trustee, shall be the successor in all respects to the Master Servicer in its capacity as servicer under this Agreement and the transactions set forth or provided for herein.

(c) Any successor Master Servicer appointed pursuant to clause (a) or clause (b) shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Master Servicer (except for the responsibilities, duties and liabilities contained in Sections 2.02 and 2.03(a), excluding the duty to notify related Subservicers as set forth in such Sections, and its obligations to deposit amounts in respect of losses incurred prior to such notice or termination on the investment of funds in the Custodial Account or the Certificate Account pursuant to Sections 3.07(c) and 4.01(c) by the terms and provisions hereof); provided, however, that any failure to perform such duties or responsibilities caused by the preceding Master Servicer's failure to provide information required by Section 4.04 shall not be considered a default by the Trustee hereunder as successor Master Servicer. As compensation therefor, the Trustee, as successor Master Servicer, shall be entitled to all funds relating to the Mortgage Loans which the Master Servicer would have been entitled to charge to the Custodial Account or the Certificate Account if the Master Servicer had continued to act hereunder and, in addition, shall be entitled to the income from any Permitted Investments made with amounts attributable to the Mortgage Loans held in the Custodial Account or the Certificate Account. If the Trustee has become the successor to the Master Servicer in accordance with Section 6.04 or Section 7.01, then notwithstanding the above, the Depositor shall, at the direction of the Insurer (unless an Insurer Default has occurred and is continuing) or, if an Insurer Default has occurred and is continuing, at the direction of the Insurer with the consent of the Holders of the Class A Certificates in accordance with Section (e) below, select and appoint a successor Master Servicer and if the Insurer or such Holders of Class A Certificates, as applicable, fails to provide such direction and/or consent, as the case may be, within 30 days, the Trustee may, if it shall be unwilling to so act, or shall, if it is unable to so act, appoint, or petition a court of competent jurisdiction to appoint, any established housing and home finance institution, which is also a Fannie Mae or Freddie Mac-approved mortgage servicing institution, having a net worth of not less than \$10,000,000 as the successor to the Master Servicer hereunder in the assumption of all or any part of the responsibilities, duties or liabilities of the Master Servicer hereunder. Pending appointment of a successor to the Master Servicer hereunder, the Trustee shall become successor to the Master Servicer and shall act in such capacity as hereinabove provided. In connection with such appointment and assumption, the Trustee may make such arrangements for the compensation of such successor out of payments on Mortgage Loans as it and such successor shall agree; provided, however, that no such compensation shall be in excess of that permitted the initial Master Servicer hereunder. The Depositor, the Trustee, the Custodian and such successor shall take such action, consistent with this Agreement, as shall be necessary to effectuate any such succession. The Servicing Fee for any successor Master Servicer appointed pursuant to this Section 7.02 will be lowered with respect to those Mortgage Loans, if any, where the Subservicing Fee accrues at a rate of less than 0.50% per annum in the event that the successor Master Servicer is not servicing such Mortgage Loans directly and it is necessary to raise the related Subservicing Fee to a rate of 0.50% per annum in order to hire a Subservicer

with respect to such Mortgage Loans. The Master Servicer shall pay the reasonable expenses of the Trustee in connection with any servicing transfer hereunder.

(d) In connection with the termination or resignation of the Master Servicer hereunder, either (i) the successor Master Servicer, including the Trustee if the Trustee is acting as successor Master Servicer, shall represent and warrant that it is a member of MERS in good standing and shall agree to comply in all material respects with the rules and procedures of MERS in connection with the servicing of the Mortgage Loans that are registered with MERS, in which case the predecessor Master Servicer shall cooperate with the successor Master Servicer in causing MERS to revise its records to reflect the transfer of servicing to the successor Master Servicer as necessary under MERS' rules and regulations, or (ii) the predecessor Master Servicer shall cooperate with the successor Master Servicer in causing MERS to execute and deliver an assignment of Mortgage in recordable form to transfer the Mortgage from MERS to the Trustee and to execute and deliver such other notices, documents and other instruments as may be necessary or desirable to effect a transfer of such Mortgage Loan or servicing of such Mortgage Loan on the MERS® System to the successor Master Servicer. The predecessor Master Servicer shall file or cause to be filed any such assignment in the appropriate recording office. The predecessor Master Servicer shall bear any and all fees of MERS, costs of preparing any assignments of Mortgage, and fees and costs of filing any assignments of Mortgage that may be required under this subsection (d). The Successor Master Servicer shall cause such assignment to be delivered to the Trustee or the Custodian promptly upon receipt of the original with evidence of recording thereon or a copy certified by the public recording office in which such assignment was recorded.

(e) Upon notice from the Insurer of the identity of its proposed successor Master Servicer pursuant to clause (a) above, the Trustee shall forward notice of such proposed successor Master Servicer to the Holders of the Class A Certificates; provided, that so long as the Class A Certificates are Book-Entry Certificates, such notice shall be forwarded to the Depository for posting on its system. The Trustee shall also post such notice on its website related to the Trust. For purposes of determining the consent of the Class A-II Certificates pursuant to this clause (e), 51% of the Class A Certificates shall be deemed to have consented to a successor Master Servicer unless the Trustee has received written notice from at least 50% of the Class A Certificates of such Certificateholders' objection to such successor Master Servicer within 30 calendar days after notice of the proposed successor Master Servicer has been sent to the Holders of the Class A Certificates by the Trustee, provided, however, if such proposed Master Servicer is not an approved master servicer by each Rating Agency and each Rating Agency does not confirm the then-current rating in writing to the proposed successor Master Servicer selected by the Insurer, affirmative consent of 51% of the Class A Certificates shall be required.

Section 7.03. Notification to Certificateholders.

(a) Upon any such termination or appointment of a successor to the Master Servicer, the Trustee shall give prompt written notice thereof to the Insurer and the Certificateholders at their respective addresses appearing in the Certificate Register.

(b) Within 60 days after the occurrence of any Event of Default, the Trustee shall transmit by mail to all Holders of Certificates and the Insurer notice of each such Event of Default hereunder known to the Trustee, unless such Event of Default shall have been cured or waived as provided in Section 7.04 hereof.

Section 7.04. Waiver of Events of Default.

The Holders representing at least 66% of the Voting Rights of Certificates affected by a default or Event of Default hereunder may waive any default or Event of Default; *provided, however*, that (a) a default or Event of Default under clause (i) of Section 7.01 may be waived only by all of the Holders of Certificates affected by such default or Event of Default and (b) no waiver pursuant to this Section 7.04 shall affect the Holders of Certificates in the manner set forth in Section 11.01(b)(i), (ii) or (iii). Upon any such waiver of a default or Event of Default by the Holders representing the requisite percentage of Voting Rights of Certificates affected by such default or Event of Default, such default or Event of Default shall cease to exist and shall be deemed to have been remedied for every purpose hereunder. No such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon except to the extent expressly so waived.

Section 7.05. Servicing Trigger: Removal of Master Servicer.

(a) Upon determination by the Insurer that a Servicing Trigger has occurred, the Insurer shall give written notice of such Servicing Trigger to the Master Servicer, the Depositor, the Trustee and to each Rating Agency.

(b) At any time after such determination and while a Servicing Trigger is continuing, the Insurer may direct the Trustee in writing to remove the Master Servicer if the Insurer makes a determination that the manner of master servicing was a factor contributing to the size of the delinquencies or losses incurred in the Trust Fund.

(c) Upon receipt of directions to remove the Master Servicer pursuant to the preceding clause (b), the Trustee shall notify the Master Servicer that it has been terminated and the Master Servicer shall be terminated in the same manner as specified in Sections 7.01 and 7.02.

(d) After notice of occurrence of a Servicing Trigger has been given and while a Servicing Trigger is continuing, until and unless the Master Servicer has been removed as provided in clause (b), the Master Servicer covenants and agrees to act as the Master Servicer for a term from the occurrence of the Servicing Trigger to the end of the calendar quarter in which such Servicing Trigger occurs, which term may at the Insurer's discretion be extended by written notice to the Trustee and the Master Servicer for successive terms of three (3) calendar months each, until the termination of the Trust Fund. The Master Servicer will, upon the receipt of each such notice of extension (a "Master Servicer Extension Notice") become bound for the duration of the term covered by such Master Servicer Extension Notice to continue as Master Servicer subject to and in accordance with this Agreement. If, as of the fifteenth (15th) day prior to the last day of any term as the Master Servicer, the Trustee shall not have received any Master Servicer Extension Notice from the Insurer, the Trustee shall, within five (5) days thereafter,

give written notice of such nonreceipt to the Insurer and the Master Servicer. If any such term expires without a Master Servicer Extension Notice then the Trustee shall act as successor Master Servicer as provided in Section 7.02.

(e) No provision of this Section 7.05 shall have the effect of limiting the rights of the Depositor, the Trustee, the Certificateholders or the Insurer under Section 7.01

ARTICLE VIII CONCERNING THE TRUSTEE

Section 8.01. Duties of Trustee.

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Agreement. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise as a prudent investor would exercise or use under the circumstances in the conduct of such investor's own affairs.

(b) The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee which are specifically required to be furnished pursuant to any provision of this Agreement, shall examine them to determine whether they conform to the requirements of this Agreement. The Trustee shall notify the Insurer and the Certificateholders of any such documents which do not materially conform to the requirements of this Agreement in the event that the Trustee, after so requesting, does not receive satisfactorily corrected documents in a timely fashion. The Trustee shall forward or cause to be forwarded in a timely fashion the notices, reports and statements required to be forwarded by the Trustee pursuant to Sections 4.03, 7.03, and 10.01. The Trustee shall furnish in a timely fashion to the Master Servicer such information as the Master Servicer may reasonably request from time to time for the Master Servicer to fulfill its duties as set forth in this Agreement and the Trustee shall furnish in a timely fashion to the Insurer such information in its possession as the Insurer may reasonably request from time to time for the Insurer to protect its interests and to fulfill its duties under the Policy. The Trustee covenants and agrees that it shall perform its obligations hereunder in a manner so as to maintain the status of each REMIC created hereunder as a REMIC under the REMIC Provisions (subject to Section 10.01(f)) and to prevent the imposition of any federal, state or local income, prohibited transaction (except as provided in Section 2.04 herein), contribution or other tax on the Trust Fund to the extent that maintaining such status and avoiding such taxes are reasonably within the control of the Trustee and are reasonably within the scope of its duties under this Agreement.

(c) No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct; *provided, however*, that:

(i) Prior to the occurrence of an Event of Default, and after the curing or waiver of all such Events of Default which may have occurred, the duties and obligations

of the Trustee shall be determined solely by the express provisions of this Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, no implied covenants or obligations shall be read into this Agreement against the Trustee and, in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee by the Depositor or the Master Servicer and which on their face, do not contradict the requirements of this Agreement;

(ii) The Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) The Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Insurer or the Certificateholders holding Certificates which evidence, Percentage Interests aggregating not less than 25% of the affected Classes as to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement;

(iv) The Trustee shall not be charged with knowledge of any default (other than a default in payment to the Trustee) specified in clauses (i) and (ii) of Section 7.01 or an Event of Default under clauses (iii), (iv) and (v) of Section 7.01 unless a Responsible Officer of the Trustee assigned to and working in the Corporate Trust Office obtains actual knowledge of such failure or event or the Trustee receives written notice of such failure or event at its Corporate Trust Office from the Master Servicer, the Insurer, the Depositor or any Certificateholder; and

(v) Except to the extent provided in Section 7.02, no provision in this Agreement shall require the Trustee to expend or risk its own funds (including, without limitation, the making of any Advance) or otherwise incur any personal financial liability in the performance of any of its duties as Trustee hereunder, or in the exercise of any of its rights or powers, if the Trustee shall have reasonable grounds for believing that repayment of funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) The Trustee shall timely pay, from its own funds, the amount of any and all federal, state and local taxes imposed on the Trust Fund or its assets or transactions including, without limitation, (A) "prohibited transaction" penalty taxes as defined in Section 860F of the Code, if, when and as the same shall be due and payable, (B) any tax on contributions to a REMIC after the Closing Date imposed by Section 860G(d) of the Code and (C) any tax on "net income from foreclosure property" as defined in Section 860G(c) of the Code, but only if such taxes arise out of a breach by the Trustee of its obligations hereunder, which breach constitutes negligence or willful misconduct of the Trustee.

Section 8.02. Certain Matters Affecting the Trustee.

(a) Except as otherwise provided in Section 8.01:

(i) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, Officers' Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(ii) The Trustee may consult with counsel and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance with such Opinion of Counsel;

(iii) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Agreement or to institute, conduct or defend any litigation hereunder or in relation hereto at the request, order or direction of any of the Certificateholders or the Insurer, pursuant to the provisions of this Agreement or the Yield Maintenance Agreement, unless (a) such Certificateholders or the Insurer shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby and (b) the Insurer has given its consent; nothing contained herein shall, however, relieve the Trustee of the obligation, upon the occurrence of an Event of Default (which has not been cured), to exercise such of the rights and powers vested in it by this Agreement, and to use the same degree of care and skill in their exercise as a prudent investor would exercise or use under the circumstances in the conduct of such investor's own affairs;

(iv) The Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement;

(v) Prior to the occurrence of an Event of Default hereunder and after the curing of all Events of Default which may have occurred, the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by the Insurer or the Holders of Certificates of any Class evidencing, as to such Class, Percentage Interests, aggregating not less than 50% with the written consent of the Insurer; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Agreement, the Trustee may require reasonable indemnity against such expense or liability as a condition to so proceeding. The reasonable expense of every such examination shall be paid by the Master Servicer, if an Event of Default shall have occurred and is continuing, and otherwise by the Certificateholder or the Insurer requesting the investigation;

(vi) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys provided that the Trustee shall remain liable for any acts of such agents or attorneys; and

(vii) To the extent authorized under the Code and the regulations promulgated thereunder, each Holder of a Class R Certificate hereby irrevocably appoints and authorizes the Trustee to be its attorney-in-fact for purposes of signing any Tax Returns required to be filed on behalf of the Trust Fund. The Trustee shall sign on behalf of the Trust Fund and deliver to the Master Servicer in a timely manner any Tax Returns prepared by or on behalf of the Master Servicer that the Trustee is required to sign as determined by the Master Servicer pursuant to applicable federal, state or local tax laws, provided that the Master Servicer shall indemnify the Trustee for signing any such Tax Returns that contain errors or omissions.

(b) Following the issuance of the Certificates (and except as provided for in Section 2.04), the Trustee shall not accept any contribution of assets to the Trust Fund unless subject to Section 10.01(f) it shall have obtained or been furnished with an Opinion of Counsel to the effect that such contribution will not (i) cause any REMIC created hereunder to fail to qualify as a REMIC at any time that any Certificates are outstanding or (ii) cause the Trust Fund to be subject to any federal tax as a result of such contribution (including the imposition of any federal tax on "prohibited transactions" imposed under Section 860F(a) of the Code).

Section 8.03. Trustee Not Liable for Certificates or Mortgage Loans.

The recitals contained herein and in the Certificates (other than the execution of the Certificates and relating to the acceptance and receipt of the Mortgage Loans) shall be taken as the statements of the Depositor or the Master Servicer as the case may be, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Agreement or of the Certificates (except that the Certificates shall be duly and validly executed and authenticated by it as Certificate Registrar) or of any Mortgage Loan or related document, or of MERS or the MERS® System. Except as otherwise provided herein, the Trustee shall not be accountable for the use or application by the Depositor or the Master Servicer of any of the Certificates or of the proceeds of such Certificates, or for the use or application of any funds paid to the Depositor or the Master Servicer in respect of the Mortgage Loans or deposited in or withdrawn from the Custodial Account or the Certificate Account by the Depositor or the Master Servicer.

Section 8.04. Trustee May Own Certificates.

The Trustee in its individual or any other capacity may become the owner or pledgee of Certificates with the same rights it would have if it were not Trustee.

Section 8.05. Master Servicer to Pay Trustee's Fees and Expenses; Indemnification.

(a) The Master Servicer covenants and agrees to pay to the Trustee and any co-trustee from time to time, and the Trustee and any co-trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by each of them in the execution of the

trusts hereby created and in the exercise and performance of any of the powers and duties hereunder of the Trustee and any co-trustee, and the Master Servicer shall pay or reimburse the Trustee and any co-trustee upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustee or any co-trustee in accordance with any of the provisions of this Agreement (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ, and the expenses incurred by the Trustee or any co-trustee in connection with the appointment of an office or agency pursuant to Section 8.12) except any such expense, disbursement or advance as may arise from its negligence or bad faith.

(b) The Master Servicer agrees to indemnify the Trustee for, and to hold the Trustee harmless against, any loss, liability or expense incurred without negligence or willful misconduct on its part, arising out of, or in connection with, the acceptance and administration of the Trust Fund, including its obligation to execute the DTC Letter in its individual capacity, the costs and expenses (including reasonable legal fees and expenses) of defending itself against any claim in connection with the exercise or performance of any of its powers or duties under this Agreement or the Yield Maintenance Agreement, and the Master Servicer further agrees to indemnify the Trustee for, and to hold the Trustee harmless against, any loss, liability or expense arising out of, or in connection with, the provisions set forth in the second paragraph of Section 2.01(a) hereof, including, without limitation, all costs, liabilities and expenses (including reasonable legal fees and expenses) of investigating and defending itself against any claim, action or proceeding, pending or threatened, relating to the provisions of such paragraph, provided that:

(i) with respect to any such claim, the Trustee shall have given the Master Servicer written notice thereof promptly after the Trustee shall have actual knowledge thereof;

(ii) while maintaining control over its own defense, the Trustee shall cooperate and consult fully with the Master Servicer in preparing such defense; and

(iii) notwithstanding anything in this Agreement to the contrary, the Master Servicer shall not be liable for settlement of any claim by the Trustee entered into without the prior consent of the Master Servicer which consent shall not be unreasonably withheld. No termination of this Agreement shall affect the obligations created by this Section 8.05(b) of the Master Servicer to indemnify the Trustee under the conditions and to the extent set forth herein. Notwithstanding the foregoing, the indemnification provided by the Master Servicer in this Section 8.05(b) shall not pertain to any loss, liability or expense of the Trustee, including the costs and expenses of defending itself against any claim, incurred in connection with any actions taken by the Trustee at the direction of Certificateholders pursuant to the terms of this Agreement.

Section 8.06. Eligibility Requirements for Trustee.

The Trustee hereunder shall at all times be a national banking association or a New York banking corporation having its principal office in a state and city acceptable to the Depositor and the Insurer and organized and doing business under the laws of such state or the United States of America, authorized under such laws to exercise corporate trust powers, having a combined

capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state authority. If such corporation or national banking association publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.07.

Section 8.07. Resignation and Removal of the Trustee.

(a) The Trustee may at any time resign and be discharged from the trusts hereby created by giving written notice thereof to the Depositor, the Master Servicer and the Insurer. Upon receiving such notice of resignation, the Depositor shall promptly appoint a successor trustee acceptable to the Insurer by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation then the Insurer may appoint a successor trustee and if the Insurer fails to do so within 30 days, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 8.06 and shall fail to resign after written request therefor by the Insurer or the Depositor with the consent of the Insurer (which consent shall not be unreasonably withheld), or if at any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Insurer or the Depositor with the consent of the Insurer (which consent shall not be unreasonably withheld) may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee. In addition, in the event that the Insurer or the Depositor determines that the Trustee has failed (i) to distribute or cause to be distributed to Certificateholders any amount required to be distributed hereunder, if such amount is held by the Trustee or its Paying Agent (other than the Master Servicer or the Depositor) for distribution or (ii) to otherwise observe or perform in any material respect any of its covenants, agreements or obligations hereunder, and such failure shall continue unremedied for a period of 5 days (in respect of clause (i) above) or 30 days (in respect of clause (ii) above) after the date on which written notice of such failure, requiring that the same be remedied, shall have been given to the Trustee by the Depositor or the Insurer, then the Depositor with the consent of the Insurer, which consent shall not be unreasonably withheld, may remove the Trustee and appoint a successor trustee by written instrument delivered as provided in the preceding sentence. In connection with the appointment of a successor trustee pursuant to the preceding sentence, the Depositor shall, on or before the date on which any such appointment becomes effective, obtain from each Rating Agency written confirmation that the appointment of any such successor trustee will not result in the reduction of the ratings on any Class of the Certificates below the lesser of the then-current or original ratings on such Certificates without taking into account the Policy.

(c) During the continuance of an Insurer Default, the Holders of Certificates entitled to at least 51% of the Voting Rights may at any time remove the Trustee and appoint a successor trustee by written instrument or instruments, in triplicate, signed by such Holders or their attorneys-in-fact duly authorized, one complete set of which instruments shall be delivered to the Depositor, one complete set to the Trustee so removed and one complete set to the successor so appointed.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor trustee as provided in Section 8.08.

Section 8.08. Successor Trustee.

(a) Any successor trustee appointed as provided in this Section 8.08 shall execute, acknowledge and deliver to the Depositor and the Insurer and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as trustee herein. The predecessor trustee shall deliver to the successor trustee all Mortgage Files and related documents and statements held by it hereunder (other than any Mortgage Files at the time held by a Custodian, which shall become the agent of any successor trustee hereunder), and the Depositor, the Master Servicer and the predecessor trustee shall execute and deliver such instruments and do such other things as may reasonably be required for more fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations.

(b) No successor trustee shall accept appointment as provided in this Section unless (a) at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 8.06 and (b) such appointment of such successor trustee will not result in the reduction of the ratings on any class of the Certificates below the then-current ratings on such Certificates, as evidenced by a letter from each Rating Agency to such effect.

(c) Upon acceptance of appointment by a successor trustee as provided in this Section, the Depositor shall mail notice of the succession of such trustee hereunder to all Holders of Certificates at their addresses as shown in the Certificate Register. If the Depositor fails to mail such notice within 10 days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of the Depositor.

Section 8.09. Merger or Consolidation of Trustee.

Any corporation or national banking association into which the Trustee may be merged or converted or with which it may be consolidated or any corporation or national banking association resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or national banking association succeeding to the business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation or national banking association shall be eligible under the provisions of Section 8.06, without the execution

or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding. The Trustee shall mail notice of any such merger or consolidation to the Certificateholders at their address as shown in the Certificate Register.

Section 8.10. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions hereof, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Fund or property securing the same may at the time be located, the Master Servicer and the Trustee acting jointly shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Trustee to act as co-trustee or co-trustees, jointly with the Trustee, or separate trustee or separate trustees, of all or any part of the Trust Fund, and to vest in such Person or Persons, in such capacity, such title to the Trust Fund, or any part thereof, and, subject to the other provisions of this Section 8.10, such powers, duties, obligations, rights and trusts as the Master Servicer and the Trustee may consider necessary or desirable. If the Master Servicer shall not have joined in such appointment within 15 days after the receipt by it of a request so to do, or in case an Event of Default shall have occurred and be continuing, the Trustee alone shall have the power to make such appointment. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 8.06 hereunder and no notice to Holders of Certificates of the appointment of co-trustee(s) or separate trustee(s) shall be required under Section 8.08 hereof.

(b) In the case of any appointment of a co-trustee or separate trustee pursuant to this Section 8.10 all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee, and such separate trustee or co-trustee jointly, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed (whether as Trustee hereunder or as successor to the Master Servicer hereunder), the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Fund or any portion thereof in any such jurisdiction) shall be exercised and performed by such separate trustee or co-trustee at the direction of the Trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article VIII. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may, at any time, constitute the Trustee, its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates,

properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 8.11. Appointment of Custodians

The Trustee may, with the consent of the Master Servicer, the Insurer and the Depositor, or shall, at the direction of the Master Servicer, the Insurer and the Depositor, appoint one or more Custodians who are not Affiliates of the Depositor or the Master Servicer to hold all or a portion of the Mortgage Files as agent for the Trustee, by entering into a Custodial Agreement. The Trustee is hereby directed to enter into Custodial Agreement with Wells Fargo Bank, N.A. Subject to Article VIII, the Trustee agrees to comply with the terms of each Custodial Agreement and to enforce the terms and provisions thereof against the Custodian for the benefit of the Certificateholders. Each Custodian shall be a depository institution subject to supervision by federal or state authority, shall have a combined capital and surplus of at least \$15,000,000 and shall be qualified to do business in the jurisdiction in which it holds any Mortgage File. Each Custodial Agreement may be amended only as provided in Section 11.01. The Trustee shall notify the Certificateholders of the appointment of any Custodian (other than the Custodian appointed as of the Closing Date) pursuant to this Section 8.11.

Section 8.12. Appointment of Office or Agency

The Trustee will maintain an office or agency in the City of St. Paul, Minnesota where Certificates may be surrendered for registration of transfer or exchange. The Trustee initially designates its offices located at the Corporate Trust Office for the purpose of keeping the Certificate Register. The Trustee will maintain an office at the address stated in Section 11.05 hereof where notices and demands to or upon the Trustee in respect of this Agreement may be served.

Section 8.13. DTC Letter of Representations

The Trustee is hereby authorized and directed to, and agrees that it shall, enter into the DTC Letter on behalf of the Trust Fund and in its individual capacity as agent thereunder.

Section 8.14. Yield Maintenance Agreement

The Trustee is hereby authorized and directed to, and agrees that it shall, enter into the Yield Maintenance Agreement on behalf of the Trust Fund.

**ARTICLE IX
TERMINATION**

Section 9.01. Termination Upon Purchase by Residential Funding or Liquidation of All Mortgage Loans

(a) Subject to Section 9.02, the respective obligations and responsibilities of the Depositor, the Master Servicer and the Trustee created hereby in respect of the Certificates (other than the obligation of the Trustee to make certain payments after the Final Distribution Date to Certificateholders and the Insurer and the obligation of the Depositor to send certain notices as

hereinafter set forth) shall terminate upon the last action required to be taken by the Trustee on the Final Distribution Date pursuant to this Article IX following the earlier of:

(i) the later of the final payment or other liquidation (or any Advance with respect thereto) of the last Mortgage Loan remaining in the Trust Fund or the disposition of all property acquired upon foreclosure or deed in lieu of foreclosure of any Mortgage Loan, or

(ii) the purchase by the Master Servicer or its designee of all Mortgage Loans and all property acquired in respect of any Mortgage Loan remaining in the Trust Fund, at a price equal to 100% of the unpaid principal balance of each Mortgage Loan (or, if less than such unpaid principal balance, the fair market value of the related underlying property of such Mortgage Loan with respect to Mortgage Loans as to which title has been acquired if such fair market value is less than such unpaid principal balance) (net of unreimbursed Advances attributable to principal) on the day of repurchase, plus unpaid accrued interest thereon at the Mortgage Rate (or Modified Net Mortgage Rate in the case of any Modified Mortgage Loan) from the Due Date to which interest was last paid by the Mortgagor to, but not including, the first day of the month in which such repurchase price is distributed plus the amount of any accrued and unpaid Servicing Fees, unreimbursed advances and Servicing Advances, plus any amounts due to the Insurer pursuant to the Insurance Agreement or any Cumulative Insurance Payments, in each case through the date of such option; *provided, however*, that in no event shall the trust created hereby continue beyond the earlier of (i) the Maturity Date or (ii) the expiration of 21 years from the death of the last survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States to the Court of St. James, living on the date hereof; and provided further, that the purchase price set forth above shall be increased as is necessary, as determined by the Master Servicer, to avoid disqualification of any REMIC created hereunder as a REMIC. The purchase price paid by the Master Servicer or its designee shall also include any amounts owed by the Master Servicer or its designee pursuant to the last paragraph of Section 4 of the Assignment Agreement in respect of any liability, penalty or expense that resulted from a breach of the representation and warranty set forth in clause (bb) of such Section, that remain unpaid on the date of such purchase.

The right of the Master Servicer or its designee to purchase all the assets of the Trust Fund relating to the Mortgage Loans, pursuant to clause (ii) above is conditioned upon the date of such purchase occurring on or after the Optional Termination Date; *provided, however*, that no such purchase will be permitted if it would result in a draw on the Policy, and no such purchase will be permitted if the Insurer can show a reasonable probability that it would result in a draw on the Policy, unless the Insurer consents in writing to such purchase. If such right is exercised by the Master Servicer or its designee, the Master Servicer shall be entitled to reimbursement for the full amount of any unreimbursed Advances theretofore made by it with respect to the Mortgage Loans being purchased, pursuant to Section 3.10. In addition, the Master Servicer shall provide to the Trustee the certification required by Section 3.15 and the Trustee and any Custodian shall, promptly following payment of the purchase price, release to the Master Servicer or its designee the Mortgage Files pertaining to the Mortgage Loans being purchased.

In addition, on any Distribution Date on or after the Optional Termination Date, the Master Servicer or its designee shall have the right, at its option or at the option of its designee, respectively, to purchase all of the Certificates in whole, but not in part, at a price equal to the aggregate outstanding Certificate Principal Balance of the Certificates, plus one month's Accrued Certificate Interest on the Certificates, any previously unpaid Accrued Certificate Interest, and any unpaid Prepayment Interest Shortfalls previously allocated thereto (but not including any reimbursement of the principal portion of any Realized Losses previously allocated thereto that remain unreimbursed) and any amounts due to the Insurer pursuant to the Insurance Agreement or any Cumulative Insurance Payments, in each case through the date of exercise of such option; *provided, however*, that no such purchase will be permitted if it would result in a draw on the Policy, and no such purchase will be permitted if the Insurer can show a reasonable probability that it would result in a draw on the Policy, unless the Insurer consents in writing to such purchase.

(b) The Master Servicer shall give the Trustee and the Insurer not less than 60 days' prior notice of the Distribution Date on which the Master Servicer anticipates that the final distribution will be made to Certificateholders (whether as a result of the exercise by the Master Servicer or its designee of its right to purchase the assets of the Trust Fund or otherwise). Notice of any termination, specifying the anticipated Final Distribution Date (which shall be a date that would otherwise be a Distribution Date) upon which the Certificateholders may surrender their Certificates to the Trustee for payment of the final distribution and cancellation, shall be given promptly by the Master Servicer (if the Master Servicer or its designee is exercising its right to purchase the assets of the Trust Fund), or by the Trustee (in any other case) by letter to Certificateholders mailed not earlier than the 15th day and not later than the 25th day of the month next preceding the month of such final distribution specifying:

- (i) the anticipated Final Distribution Date upon which final payment of the Certificates is anticipated to be made upon presentation and surrender of Certificates at the office or agency of the Trustee therein designated,
- (ii) the amount of any such final payment, if known, and
- (iii) that the Record Date otherwise applicable to such Distribution Date is not applicable, and that payment will be made only upon presentation and surrender of the Certificates at the office or agency of the Trustee therein specified.

If the Master Servicer or the Trustee is obligated to give notice to Certificateholders as aforesaid, it shall give such notice to the Certificate Registrar at the time such notice is given to Certificateholders. In the event such notice is given by the Master Servicer, the Master Servicer or its designee shall deposit in the Custodial Account before the Final Distribution Date in immediately available funds an amount equal to the purchase price for the assets of the Trust Fund computed as above provided. The Master Servicer shall provide to the Trustee written notification of any change to the anticipated Final Distribution Date as soon as practicable. If the Trust Fund is not terminated on the anticipated Final Distribution Date, for any reason, the Trustee shall promptly mail notice thereof to each affected Certificateholder.

(c) Upon presentation and surrender of the Class A Certificates and Class SB Certificates by the Certificateholders thereof, the Trustee shall distribute to such Certificateholders and the Insurer (A) the amount otherwise distributable on such Distribution Date, if not in connection with the Master Servicer's election to repurchase the Mortgage Loans or the outstanding Class A Certificates and Class SB Certificates, or (B) if the Master Servicer elected to so repurchase the Mortgage Loans or the outstanding Class A Certificates and Class SB Certificates, an amount equal to the price paid pursuant to Section 9.01(a) as follows:

(i) *first*, payment of any accrued and unpaid Servicing Fees, unreimbursed advances and Servicing Advances, in each case through the date of such option, to the Master Servicer

(ii) *second*, with respect to the Class A Certificates, *pari passu*, the outstanding Certificate Principal Balance thereof, plus Accrued Certificate Interest thereon for the related Interest Accrual Period and any previously unpaid Accrued Certificate Interest,

(iii) *third*, to the Insurer, any amounts due to the Insurer pursuant to the Insurance Agreement or any Cumulative Insured Payments, in each case through the date of such option;

(iv) *fourth*, to the Class A Certificates, the amount of any Prepayment Interest Shortfalls allocated thereto for such Distribution Date or remaining unpaid from prior Distribution Dates and accrued interest thereon at the applicable Pass-Through Rate, on a pro rata basis based on Prepayment Interest Shortfalls allocated thereto for such Distribution Date or remaining unpaid from prior Distribution Dates,

(v) *fifth*, to the Class SB Certificates.

(d) In the event that any Certificateholders shall not surrender their Certificates for final payment and cancellation on or before the Final Distribution Date, the Trustee shall on such date cause all funds in the Certificate Account not distributed in final distribution to Certificateholders to be withdrawn therefrom and credited to the remaining Certificateholders by depositing such funds in a separate escrow account for the benefit of such Certificateholders, and the Master Servicer (if the Master Servicer or its designee exercised its right to purchase the Mortgage Loans), or the Trustee (in any other case) shall give a second written notice to the remaining Certificateholders to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within six months after the second notice any Certificate shall not have been surrendered for cancellation, the Trustee shall take appropriate steps as directed by the Master Servicer to contact the remaining Certificateholders concerning surrender of their Certificates. The costs and expenses of maintaining the Escrow Account and of contacting Certificateholders shall be paid out of the assets which remain in the Escrow Account. If within nine months after the second notice any Certificates shall not have been surrendered for cancellation, the Trustee shall pay to the Master Servicer all amounts distributable to the holders thereof and the Master Servicer shall thereafter hold such amounts until distributed to such holders. No interest shall accrue or be payable to any Certificateholder on any amount held in the Escrow Account or by the Master Servicer as a result of such Certificateholder's failure to

surrender its Certificate(s) for final payment thereof in accordance with this Section 9.01 and the Certificateholders shall look only to the Master Servicer for such payment.

(e) All rights of the Master Servicer or its designee to purchase the assets of the Trust Fund, or to purchase specified classes of Certificates, as set forth in Section 9.01(a) are referred to in this Agreement as the "Call Rights". Notwithstanding any other provision of this Agreement, the Master Servicer or its designee shall have the right to sell, transfer, pledge or otherwise assign the Call Rights at any time to any Person. Upon written notice by the Master Servicer or its designee to the Trustee and the Master Servicer of any such assignment of the Call Rights to any assignee, the Trustee and the Master Servicer shall be obligated to recognize such assignee as the holder of the Call Rights. Such entity, if not the Master Servicer or its designee or an affiliate, shall be deemed to represent, at the time of such sale, transfer, pledge or other assignment, that one of the following will be, and at the time the Call Right is exercised is, true and correct: (i) the exercise of such Call Right shall not result in a non-exempt prohibited transaction under section 406 of ERISA or section 4975 of the Code (including by reason of U.S. Department of Labor ("DOL") Prohibited Transaction Class Exemption ("PTCE") 75-1 (Part I), 84-14, 90-1, 91-38, 95-60 or 96-23 or other applicable exemption) or (ii) such entity is (A) not a party in interest under section 3(14) of ERISA or a disqualified person under section 4975(e)(2) of the Code with respect to any employee benefit plan subject to section 3(3) of ERISA or any plan subject to section 4975 of the Code (other than an employee benefit plan or plan sponsored or maintained by the entity, provided that no assets of such employee benefit plan or plan are invested or deemed to be invested in the Certificates) and (B) not a "benefit plan investor" as described in DOL regulation section 2510.3-101(f)(2). If any such assignee of the Call Right is unable to exercise such Call Right by reason of the preceding sentence, then the Call Right shall revert to the immediately preceding assignor of such Call Right subject to the rights of any secured party therein.

Section 9.02. Additional Termination Requirements.

(a) Each of REMIC I and REMIC II as the case may be, shall be terminated in accordance with the following additional requirements, unless the Trustee and the Master Servicer have received an Opinion of Counsel (which Opinion of Counsel shall not be an expense of the Trustee) to the effect that the failure of any REMIC created hereunder, as the case may be, to comply with the requirements of this Section 9.02 will not (i) result in the imposition on the Trust Fund of taxes on "prohibited transactions," as described in Section 860F of the Code, or (ii) cause any REMIC created hereunder to fail to qualify as a REMIC at any time that any Certificate is outstanding:

(i) The Master Servicer shall establish a 90-day liquidation period for each of REMIC I and REMIC II, and specify the first day of such period in a statement attached to the Trust Fund's final Tax Return pursuant to Treasury regulations Section 1.860F-1. The Master Servicer also shall satisfy all of the requirements of a qualified liquidation for each of REMIC I and REMIC II under Section 860F of the Code and the regulations thereunder;

(ii) The Master Servicer shall notify the Trustee at the commencement of such 90-day liquidation period and, at or prior to the time of making of the final payment on

the Certificates, the Trustee shall sell or otherwise dispose of all of the remaining assets of the Trust Fund in accordance with the terms hereof; and

(iii) If the Master Servicer is exercising its right to purchase the assets of the Trust Fund, the Master Servicer shall, during the 90-day liquidation period and at or prior to the Final Distribution Date, purchase all of the assets of the Trust Fund for cash.

(b) Each Holder of a Certificate and the Trustee hereby irrevocably approves and appoints the Master Servicer as its attorney-in-fact to adopt a plan of complete liquidation for each of REMIC I and REMIC II at the expense of the Trust Fund in accordance with the terms and conditions of this Agreement.

ARTICLE X REMIC PROVISIONS

Section 10.01. REMIC Administration.

(a) The REMIC Administrator shall make an election to treat each of REMIC I and REMIC II as a REMIC under the Code and, if necessary, under applicable state law. Such election will be made on Form 1066 or other appropriate federal tax or information return (including Form 8811) or any appropriate state return for the taxable year ending on the last day of the calendar year in which the Certificates are issued. The REMIC I Regular Interests shall be designated as the "regular interests" and the Class R-I Certificates shall be designated as the sole class of "residual interests" in REMIC I. The REMIC II Regular Interests shall be designated as the "regular interests" and the Class R-II Certificates shall be designated as the sole class of "residual interests" in REMIC II. The REMIC Administrator and the Trustee shall not permit the creation of any "interests" (within the meaning of Section 860G of the Code) in REMIC I and REMIC II other than the REMIC I Regular Interests, the REMIC II Regular Interests and the Certificates.

(b) The Closing Date is hereby designated as the "startup day" of each of REMIC within the meaning of Section 860G(a)(9) of the Code.

(c) The REMIC Administrator shall hold a Class R Certificate in each REMIC representing a 0.01% Percentage Interest of the Class R Certificates in each REMIC and shall be designated as the "tax matters person" with respect to each of REMIC I and REMIC II in the manner provided under Treasury regulations section 1.860F-4(d) and Treasury regulations section 301.6231(a)(7)-1. The REMIC Administrator, as tax matters person, shall (i) act on behalf of each of REMIC I and REMIC II in relation to any tax matter or controversy involving the Trust Fund and (ii) represent the Trust Fund in any administrative or judicial proceeding relating to an examination or audit by any governmental taxing authority with respect thereto. The legal expenses, including without limitation attorneys' or accountants' fees, and costs of any such proceeding and any liability resulting therefrom shall be expenses of the Trust Fund and the REMIC Administrator shall be entitled to reimbursement therefor out of amounts attributable to the Mortgage Loans on deposit in the Custodial Account as provided by Section 3.10 unless such legal expenses and costs are incurred by reason of the REMIC Administrator's willful misfeasance, bad faith or gross negligence. If the REMIC Administrator is no longer the Master

Servicer hereunder, at its option the REMIC Administrator may continue its duties as REMIC Administrator and shall be paid reasonable compensation not to exceed \$3,000 per year by any successor Master Servicer hereunder for so acting as the REMIC Administrator.

(d) The REMIC Administrator shall prepare or cause to be prepared all of the Tax Returns that it determines are required with respect to the REMICs created hereunder and deliver such Tax Returns in a timely manner to the Trustee and the Trustee shall sign and file such Tax Returns in a timely manner. The expenses of preparing such returns shall be borne by the REMIC Administrator without any right of reimbursement therefor. The REMIC Administrator agrees to indemnify and hold harmless the Trustee with respect to any tax or liability arising from the Trustee's signing of Tax Returns that contain errors or omissions. The Trustee and Master Servicer shall promptly provide the REMIC Administrator with such information as the REMIC Administrator may from time to time request for the purpose of enabling the REMIC Administrator to prepare Tax Returns.

(e) The REMIC Administrator shall provide (i) to any Transferor of a Class R Certificate such information as is necessary for the application of any tax relating to the transfer of a Class R Certificate to any Person who is not a Permitted Transferee, (ii) to the Trustee and the Trustee shall forward to the Certificateholders such information or reports as are required by the Code or the REMIC Provisions including reports relating to interest, original issue discount, if any, and market discount or premium (using the Prepayment Assumption) and (iii) to the Internal Revenue Service the name, title, address and telephone number of the person who will serve as the representative of each REMIC created hereunder.

(f) The Master Servicer and the REMIC Administrator shall take such actions and shall cause each REMIC created hereunder to take such actions as are reasonably within the Master Servicer's or the REMIC Administrator's control and the scope of its duties more specifically set forth herein as shall be necessary or desirable to maintain the status thereof as a REMIC under the REMIC Provisions (and the Trustee shall assist the Master Servicer and the REMIC Administrator, to the extent reasonably requested by the Master Servicer and the REMIC Administrator to do so). In performing their duties as more specifically set forth herein, the Master Servicer and the REMIC Administrator shall not knowingly or intentionally take any action, cause the Trust Fund to take any action or fail to take (or fail to cause to be taken) any action reasonably within their respective control and the scope of duties more specifically set forth herein, that, under the REMIC Provisions, if taken or not taken, as the case may be, could (i) endanger the status of any REMIC created hereunder as a REMIC or (ii) with the exception of actions taken in connection with Section 4.08 hereof, resulting in the imposition of a tax upon any REMIC created hereunder (including but not limited to the tax on prohibited transactions as defined in Section 860F(a)(2) of the Code (except as provided in Section 2.04) and the tax on contributions to a REMIC set forth in Section 860G(d) of the Code) (either such event, in the absence of an Opinion of Counsel or the indemnification referred to in this sentence, an "Adverse REMIC Event") unless the Insurer, the Master Servicer or the REMIC Administrator, as applicable, has received an Opinion of Counsel (at the expense of the party seeking to take such action or, if such party fails to pay such expense, and the Master Servicer or the REMIC Administrator, as applicable, determines that taking such action is in the best interest of the Trust Fund and the Certificateholders, at the expense of the Trust Fund, but in no event at the expense of the Master Servicer, the REMIC Administrator or the Trustee) to the effect that the

contemplated action will not, with respect to the Trust Fund created hereunder, endanger such status or, unless the Master Servicer or the REMIC Administrator or both, as applicable, determine in its or their sole discretion to indemnify the Trust Fund against the imposition of such a tax, result in the imposition of such a tax. Wherever in this Agreement a contemplated action may not be taken because the timing of such action might result in the imposition of a tax on the Trust Fund, or may only be taken pursuant to an Opinion of Counsel that such action would not impose a tax on the Trust Fund, such action may nonetheless be taken provided that the indemnity given in the preceding sentence with respect to any taxes that might be imposed on the Trust Fund has been given and that all other preconditions to the taking of such action have been satisfied. The Trustee shall not take or fail to take any action (whether or not authorized hereunder) as to which the Master Servicer or the REMIC Administrator, as applicable, has advised it in writing that it has received an Opinion of Counsel to the effect that an Adverse REMIC Event could occur with respect to such action or inaction, as the case may be. In addition, prior to taking any action with respect to the Trust Fund or its assets, or causing the Trust Fund to take any action, which is not expressly permitted under the terms of this Agreement, the Trustee shall consult with the Master Servicer, the Insurer or the REMIC Administrator, as applicable, or its designee, in writing, with respect to whether such action could cause an Adverse REMIC Event to occur with respect to the Trust Fund and the Trustee shall not take any such action or cause the Trust Fund to take any such action as to which the Master Servicer or the REMIC Administrator, as applicable, has advised it in writing that an Adverse REMIC Event could occur. The Master Servicer or the REMIC Administrator, as applicable, may consult with counsel to make such written advice, and the cost of same shall be borne by the party seeking to take the action not expressly permitted by this Agreement, but in no event at the expense of the Master Servicer or the REMIC Administrator. At all times as may be required by the Code, the Master Servicer or the REMIC Administrator, as applicable, will to the extent within its control and the scope of its duties more specifically set forth herein, maintain substantially all of the assets of the REMIC as "qualified mortgages" as defined in Section 860G(a)(3) of the Code and "permitted investments" as defined in Section 860G(a)(5) of the Code.

(g) In the event that any tax is imposed on "prohibited transactions" of any REMIC created hereunder as defined in Section 860F(a)(2) of the Code, on "net income from foreclosure property" of any REMIC as defined in Section 860G(c) of the Code, on any contributions to any REMIC after the Startup Date therefor pursuant to Section 860G(d) of the Code, or any other tax imposed by the Code or any applicable provisions of state or local tax laws, such tax shall be charged (i) to the Master Servicer, if such tax arises out of or results from a breach by the Master Servicer in its role as Master Servicer or REMIC Administrator of any of its obligations under this Agreement or the Master Servicer has in its sole discretion determined to indemnify the Trust Fund against such tax, (ii) to the Trustee, if such tax arises out of or results from a breach by the Trustee of any of its obligations under this Article X, or (iii) otherwise against amounts on deposit in the Custodial Account as provided by Section 3.10 and on the Distribution Date(s) following such reimbursement the aggregate of such taxes shall be allocated in reduction of the Accrued Certificate Interest on each Class entitled thereto in the same manner as if such taxes constituted a Prepayment Interest Shortfall.

(h) The Trustee and the Master Servicer shall, for federal income tax purposes, maintain books and records with respect to each REMIC on a calendar year and on an accrual basis or as otherwise may be required by the REMIC Provisions.

(i) Following the Startup Date, neither the Master Servicer nor the Trustee shall accept any contributions of assets to any REMIC unless (subject to Section 10.01(f)) the Master Servicer, the Insurer and the Trustee shall have received an Opinion of Counsel (at the expense of the party seeking to make such contribution) to the effect that the inclusion of such assets in any REMIC will not cause any REMIC created hereunder to fail to qualify as a REMIC at any time that any Certificates are outstanding or subject any such REMIC to any tax under the REMIC Provisions or other applicable provisions of federal, state and local law or ordinances.

(j) Neither the Master Servicer nor the Trustee shall (subject to Section 10.01(f)) enter into any arrangement by which any REMIC created hereunder will receive a fee or other compensation for services nor permit any REMIC created hereunder to receive any income from assets other than "qualified mortgages" as defined in Section 860G(a)(3) of the Code or "permitted investments" as defined in Section 860G(a)(5) of the Code.

(k) Solely for the purposes of Section 1.860G-1(a)(4)(iii) of the Treasury Regulations, the "latest possible maturity date" by which the principal balance of each regular interest in each REMIC would be reduced to zero is the Distribution Date in December 2035, which is the Distribution Date in the month following the last scheduled payment on any Mortgage Loan.

(l) Within 30 days after the Closing Date, the REMIC Administrator shall prepare and file with the Internal Revenue Service Form 8811, "Information Return for Real Estate Mortgage Investment Conduits (REMIC) and Issuers of Collateralized Debt Obligations" for the Trust Fund.

(m) Neither the Trustee nor the Master Servicer shall sell, dispose of or substitute for any of the Mortgage Loans (except in connection with (i) the default, imminent default or foreclosure of a Mortgage Loan, including but not limited to, the acquisition or sale of a Mortgaged Property acquired by any REMIC pursuant to Article IX of this Agreement or (ii) a purchase of Mortgage Loans pursuant to Article II or III of this Agreement) or acquire any assets for any REMIC or sell or dispose of any investments in the Custodial Account or the Certificate Account for gain, or accept any contributions to any REMIC after the Closing Date unless it has received an Opinion of Counsel that such sale, disposition, substitution or acquisition will not (a) affect adversely the status of any REMIC created hereunder as a REMIC or (b) unless the Master Servicer has determined in its sole discretion to indemnify the Trust Fund against such tax, cause any REMIC to be subject to a tax on "prohibited transactions" or "contributions" pursuant to the REMIC Provisions.

Section 10.02. Master Servicer, REMIC Administrator and Trustee Indemnification.

(a) The Trustee agrees to indemnify the Trust Fund, the Depositor, the REMIC Administrator and the Master Servicer for any taxes and costs including, without limitation, any reasonable attorneys' fees imposed on or incurred by the Trust Fund, the Depositor or the Master Servicer, as a result of a breach of the Trustee's covenants set forth in Article VIII or this Article X. In the event that Residential Funding is no longer the Master Servicer, the Trustee shall indemnify Residential Funding for any taxes and costs including, without limitation, any reasonable attorneys' fees imposed on or incurred by Residential Funding as a result of a breach of the Trustee's covenants set forth in Article VIII or this Article X.

(b) The REMIC Administrator agrees to indemnify the Trust Fund, the Depositor, the Master Servicer and the Trustee for any taxes and costs (including, without limitation, any reasonable attorneys' fees) imposed on or incurred by the Trust Fund, the Depositor, the Master Servicer or the Trustee, as a result of a breach of the REMIC Administrator's covenants set forth in this Article X with respect to compliance with the REMIC Provisions, including without limitation, any penalties arising from the Trustee's execution of Tax Returns prepared by the REMIC Administrator that contain errors or omissions; *provided, however*, that such liability will not be imposed to the extent such breach is a result of an error or omission in information provided to the REMIC Administrator by the Master Servicer in which case Section 10.02(c) will apply.

(c) The Master Servicer agrees to indemnify the Trust Fund, the Depositor, the REMIC Administrator and the Trustee for any taxes and costs (including, without limitation, any reasonable attorneys' fees) imposed on or incurred by the Trust Fund, the Depositor, the REMIC Administrator or the Trustee, as a result of a breach of the Master Servicer's covenants set forth in this Article X or in Article III with respect to compliance with the REMIC Provisions, including without limitation, any penalties arising from the Trustee's execution of Tax Returns prepared by the Master Servicer that contain errors or omissions.

**ARTICLE XI
MISCELLANEOUS PROVISIONS**

Section 11.01. Amendment.

(a) This Agreement or any Custodial Agreement may be amended from time to time by the Depositor, the Master Servicer and the Trustee, with the consent of the Insurer and without the consent of any of the Certificateholders:

- (i) to cure any ambiguity,
- (ii) to correct or supplement any provisions herein or therein, which may be inconsistent with any other provisions herein or therein or to correct any error,
- (iii) to modify, eliminate or add to any of its provisions to such extent as shall be necessary or desirable to maintain the qualification of any REMIC created hereunder as a REMIC at all times that any Certificate is outstanding or to avoid or minimize the risk of the imposition of any tax on the Trust Fund pursuant to the Code that would be a

claim against the Trust Fund, provided that the Trustee has received an Opinion of Counsel to the effect that (A) such action is necessary or desirable to maintain such qualification or to avoid or minimize the risk of the imposition of any such tax and (B) such action will not adversely affect in any material respect the interests of any Certificateholder,

(iv) to change the timing and/or nature of deposits into the Custodial Account or the Certificate Account or to change the name in which the Custodial Account is maintained, provided that (A) the Certificate Account Deposit Date shall in no event be later than the related Distribution Date, (B) such change shall not, as evidenced by an Opinion of Counsel, adversely affect in any material respect the interests of any Certificateholder and (C) such change shall not result in a reduction of the rating assigned to any Class of Certificates below the then-current rating assigned to such Certificates (without taking into account the Policy) as evidenced by a letter from each Rating Agency to such effect,

(v) to modify, eliminate or add to the provisions of Section 5.02(f) or any other provision hereof restricting transfer of the Class R Certificates by virtue of their being the "residual interests" in the Trust Fund provided that (A) such change shall not result in reduction of the rating assigned to any such Class of Certificates below the lower of the then-current rating or the rating assigned to such Certificates as of the Closing Date, as evidenced by a letter from each Rating Agency to such effect, and (B) such change shall not, as evidenced by an Opinion of Counsel (at the expense of the party seeking so to modify, eliminate or add such provisions), cause the Trust Fund or any of the Certificateholders (other than the transferor) to be subject to a federal tax caused by a transfer to a Person that is not a Permitted Transferee, or

(vi) to make any other provisions with respect to matters or questions arising under this Agreement or such Custodial Agreement which shall not be materially inconsistent with the provisions of this Agreement, provided that such action shall not, as evidenced by an Opinion of Counsel, adversely affect in any material respect the interests of any Certificateholder.

(b) This Agreement or any Custodial Agreement may also be amended from time to time by the Depositor, the Master Servicer, the Trustee and the Holders of Certificates evidencing in the aggregate not less than 66% of the Percentage Interests of each Class of Certificates with a Certificate Principal Balance greater than zero affected thereby for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or such Custodial Agreement or of modifying in any manner the rights of the Holders of Certificates of such Class; *provided, however*, that no such amendment shall:

(i) reduce in any manner the amount of, or delay the timing of, payments which are required to be distributed on any Certificate without the consent of the Holder of such Certificate,

(ii) adversely affect in any material respect the interest of the Holders of Certificates of any Class in a manner other than as described in clause (i) hereof without the consent of Holders of Certificates of such Class evidencing, as to such Class, Percentage Interests aggregating not less than 66%, or

(iii) reduce the aforesaid percentage of Certificates of any Class the Holders of which are required to consent to any such amendment, in any such case without the consent of the Holders of all Certificates of such Class then outstanding.

(c) Notwithstanding any contrary provision of this Agreement, the Trustee shall not consent to any amendment to this Agreement unless it and the Insurer shall have first received an Opinion of Counsel (at the expense of the party seeking such amendment) to the effect that such amendment is permitted under this Agreement and that such amendment or the exercise of any power granted to the Master Servicer, the Depositor or the Trustee in accordance with such amendment will not result in the imposition of a federal tax on the Trust Fund or cause any REMIC created hereunder to fail to qualify as a REMIC at any time that any Certificate is outstanding. The Trustee may but shall not be obligated to enter into any amendment pursuant to this Section that affects its rights, duties and immunities and this Agreement or otherwise; *provided however*, such consent shall not be unreasonably withheld.

(d) Promptly after the execution of any such amendment the Trustee shall furnish written notification of the substance of such amendment to each Certificateholder. It shall not be necessary for the consent of Certificateholders under this Section 11.01 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Certificateholders shall be subject to such reasonable regulations as the Trustee may prescribe.

(e) The Depositor shall have the option, in its sole discretion, to obtain and deliver to the Trustee any corporate guaranty, payment obligation, irrevocable letter of credit, surety bond, insurance policy or similar instrument or a reserve fund, or any combination of the foregoing, for the purpose of protecting the Holders of the Class R Certificates against any or all Realized Losses or other shortfalls. Any such instrument or fund shall be held by the Trustee for the benefit of the Class R Certificateholders, but shall not be and shall not be deemed to be under any circumstances included in any REMIC. To the extent that any such instrument or fund constitutes a reserve fund for federal income tax purposes, (i) any reserve fund so established shall be an outside reserve fund and not an asset of such REMIC, (ii) any such reserve fund shall be owned by the Depositor, and (iii) amounts transferred by such REMIC to any such reserve fund shall be treated as amounts distributed by such REMIC to the Depositor or any successor, all within the meaning of Treasury regulations Section 1.860G-2(h). In connection with the provision of any such instrument or fund, this Agreement and any provision hereof may be modified, added to, deleted or otherwise amended in any manner that is related or incidental to such instrument or fund or the establishment or administration thereof, such amendment to be made by written instrument executed or consented to by the Depositor and such related insurer but without the consent of any Certificateholder and without the consent of the Insurer, the Master Servicer or the Trustee being required unless any such amendment would impose any additional obligation on, or otherwise adversely affect the interests of the Certificateholders, the

Insurer, the Master Servicer or the Trustee, as applicable; provided that the Depositor obtains an Opinion of Counsel (which need not be an opinion of Independent counsel) to the effect that any such amendment will not cause (a) any federal tax to be imposed on the Trust Fund, including without limitation, any federal tax imposed on "prohibited transactions" under Section 860F(a)(1) of the Code or on "contributions after the startup date" under Section 860G(d)(1) of the Code and (b) any REMIC created hereunder to fail to qualify as a REMIC at any time that any Certificate is outstanding. In the event that the Depositor elects to provide such coverage in the form of a limited guaranty provided by General Motors Acceptance Corporation, the Depositor may elect that the text of such amendment to this Agreement shall be substantially in the form attached hereto as Exhibit L (in which case Residential Funding's Subordinate Certificate Loss Obligation as described in such exhibit shall be established by Residential Funding's consent to such amendment) and that the limited guaranty shall be executed in the form attached hereto as Exhibit M, with such changes as the Depositor shall deem to be appropriate; it being understood that the Trustee has reviewed and approved the content of such forms and that the Trustee's consent or approval to the use thereof is not required.

(f) In addition to the foregoing, any amendment of Section 4.08 of this Agreement shall require the consent of the Limited Repurchase Right Holder as third-party beneficiary.

Section 11.02. Recordation of Agreement: Counterparts.

(a) To the extent permitted by applicable law, this Agreement is subject to recordation in all appropriate public offices for real property records in all the counties or other comparable jurisdictions in which any or all of the properties subject to the Mortgages are situated, and in any other appropriate public recording office or elsewhere, such recordation to be effected by the Master Servicer and at its expense on direction by the Trustee (pursuant to the request of the Holders of Certificates entitled to at least 25% of the Voting Rights), but only upon direction accompanied by an Opinion of Counsel to the effect that such recordation materially and beneficially affects the interests of the Certificateholders.

(b) For the purpose of facilitating the recordation of this Agreement as herein provided and for other purposes, this Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall constitute but one and the same instrument.

Section 11.03. Limitation on Rights of Certificateholders.

(a) The death or incapacity of any Certificateholder shall not operate to terminate this Agreement or the Trust Fund, nor entitle such Certificateholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust Fund, nor otherwise affect the rights, obligations and liabilities of any of the parties hereto.

(b) No Certificateholder shall have any right to vote (except as expressly provided herein) or in any manner otherwise control the operation and management of the Trust Fund, or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms

of the Certificates, be construed so as to constitute the Certificateholders from time to time as partners or members of an association; nor shall any Certificateholder be under any liability to any third person by reason of any action taken by the parties to this Agreement pursuant to any provision hereof.

(c) No Certificateholder shall have any right by virtue of any provision of this Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Agreement, unless such Holder previously shall have given to the Trustee a written notice of default and of the continuance thereof, as hereinbefore provided, and unless also the Holders of Certificates of any Class evidencing in the aggregate not less than 25% of the related Percentage Interests of such Class (in each case, with the consent of the Insurer), shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Insurer shall have given its written consent (so long as no Insurer Default has occurred and is continuing) and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding it being understood and intended, and being expressly covenanted by each Certificateholder with every other Certificateholder and the Trustee, that no one or more Holders of Certificates of any Class shall have any right in any manner whatever by virtue of any provision of this Agreement to affect, disturb or prejudice the rights of the Holders of any other of such Certificates of such Class or any other Class, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Agreement, except in the manner herein provided and for the common benefit of Certificateholders of such Class or all Classes, as the case may be. For the protection and enforcement of the provisions of this Section 11.03, each and every Certificateholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Section 11.04. Governing Law.

This agreement and the Certificates shall be governed by and construed in accordance with the laws of the State of New York and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws, without regard to the conflict of laws principles thereof, other than Sections 5-1401 and 5-1402 of the New York General Obligations Law.

Section 11.05. Notices.

All demands and notices hereunder shall be in writing and shall be deemed to have been duly given if personally delivered at or mailed by registered mail, postage prepaid (except for notices to the Trustee which shall be deemed to have been duly given only when received), to (a) in the case of the Depositor, 8400 Normandale Lake Boulevard, Suite 250, Minneapolis, Minnesota 55437, Attention: President (RAMP), or such other address as may hereafter be furnished to the Master Servicer and the Trustee in writing by the Depositor; (b) in the case of the Master Servicer, 2255 North Ontario Street, Burbank, California 91504-3120, Attention: Bond Administration or such other address as may be hereafter furnished to the Depositor and the Trustee by the Master Servicer in writing; (c) in the case of the Trustee,

Any notice so mailed within the time prescribed in this Agreement shall be conclusively presumed to have been duly given, whether or not the Certificateholder receives such notice.

Section 11.06. Notices to Rating Agencies.

The Depositor, the Master Servicer or the Trustee, as applicable, (a) shall notify each Rating Agency and the Insurer at such time as it is otherwise required pursuant to this Agreement to give notice of the occurrence of, any of the events described in clause (a), (b), (c), (d), (g), (h), (i) or (j) below, (b) shall notify the Subservicer at such time as it is otherwise required pursuant to this Agreement to give notice of the occurrence of any of the events described in clause (a), (b), (c)(1), (g)(1) or (i) below, or (c) provide a copy to each Rating Agency at such time as otherwise required to be delivered pursuant to this Agreement of any of the statements described in clauses (e) and (f) below:

- (a) a material change or amendment to this Agreement,

- (i) the occurrence of the Final Distribution Date, and
- (j) the repurchase of or substitution for any Mortgage Loan,

provided, however, that with respect to notice of the occurrence of the events described in clauses (d), (g) or (h) above, the Master Servicer shall provide prompt written notice to each Rating Agency, the Insurer and the Subservicer of any such event known to the Master Servicer. In addition to the above delivery requirements, the Depositor or the Master Servicer, as applicable, shall provide a copy to the Insurer, at such time as it otherwise is required to deliver pursuant to this Agreement, of any other written confirmation, written notice or legal opinion.

Section 11.07. Severability of Provisions.

If any one or more of the covenants, agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement or of the Certificates or the rights of the Holders thereof.

Section 11.08. Supplemental Provisions for Resecuritization.

(a) This Agreement may be supplemented by means of the addition of a separate Article hereto (a "Supplemental Article") for the purpose of resecuritizing any of the Certificates issued hereunder, under the following circumstances. With respect to any Class or Classes of Certificates issued hereunder, or any portion of any such Class, as to which the Depositor or any of its Affiliates (or any designee thereof) is the registered Holder (the "Resecuritized Certificates"), the Depositor may deposit such Resecuritized Certificates into a new REMIC, grantor trust or custodial arrangement (a "Restructuring Vehicle") to be held by the Trustee pursuant to a Supplemental Article. The instrument adopting such Supplemental Article shall be executed by the Depositor, the Master Servicer and the Trustee; provided, that neither the Master Servicer nor the Trustee shall withhold their consent thereto if their respective interests would not be materially adversely affected thereby. To the extent that the terms of the Supplemental Article do not in any way affect any provisions of this Agreement as to any of the Certificates initially issued hereunder, the adoption of the Supplemental Article shall not constitute an "amendment" of this Agreement. Each Supplemental Article shall set forth all necessary provisions relating to the holding of the Resecuritized Certificates by the Trustee, the establishment of the Restructuring Vehicle, the issuing of various classes of new certificates by the Restructuring Vehicle and the distributions to be made thereon, and any other provisions necessary to the purposes thereof. In connection with each Supplemental Article, the Depositor shall deliver to the Trustee an Opinion of Counsel to the effect that (i) the Restructuring Vehicle will qualify as a REMIC, grantor trust or other entity not subject to taxation for federal income tax purposes and (ii) the adoption of the Supplemental Article will not endanger the status of any REMIC created hereunder as a REMIC or result in the imposition of a tax upon the Trust Fund (including but not limited to the tax on prohibited transaction as defined in Section 860F(a)(2) of the Code and the tax on contributions to a REMIC as set forth in Section 860G(d) of the Code.

- (b) On each Distribution Date the Trustee shall make available to the Insurer a copy of the reports made available to the Class A Certificateholders and the Depositor on such Distribution Date.

- (d) Unless an Insurer Default exists, the Trustee and the Depositor shall not agree to any amendment to this Agreement without first having obtained the prior written consent of the Insurer, which consent shall not be unreasonably withheld.
- (e) So long as there does not exist a failure by the Insurer to make a required payment under the Policy, the Insurer shall have the right to exercise all rights of the Holders of the Class A Certificates under this Agreement without any consent of such Holders, and such Holders may exercise such rights only with the prior written consent of the Insurer, except as provided herein.
- (f) The Insurer shall not be entitled to exercise any of its rights hereunder so long as there exists a failure by the Insurer to make a required payment under the Policy.

Section 11.10. Third Party Beneficiaries.

The Limited Repurchase Right Holder is an express third-party beneficiary of Section 4.08 of this Agreement, and shall have the right to enforce the related provisions of Section 4.08 of this Agreement as if it were a party hereto.
